

City Council Meeting Agenda Item Data Sheet

Meeting Date: February 3, 2025

Topic:

Presentation and discussion of the draft Drainage Master Plan.

Background:

Funding was allocated in the FY 2022-2023 budget to compete a Drainage Master Plan for the City. This project has been an ongoing effort since May 2023 following Council approval for the Professional Services Agreement with Civil Systems Engineering, Inc. (RFQ 2023-08).

Staff and CSE have worked diligently to complete the Drainage Master Plan and identify recommendations to improve the drainage within the City. The final plan will also identify recommended drainage projects to be included in the Capital Improvement Plan.

Following discussion with City Council, staff will work with CSE to incorporate any changes to the draft master plan requested and will finalize the Drainage Master Plan to be presented to City Council for adoption by Resolution at the February 17, 2025 Regular City Council meeting.

Origination: Project Management

Recommendation:

n/a
