Program Participant: Tomball ISD

CD# 101921

Effective Date of Endorsement: August 6, 2018

This endorsement modifies the School Liability Coverage Agreement of the TASB Risk Management Fund.

Words and phrases in boldface are defined in the School Liability Coverage Agreement , which is available upon request.

A. The School Liability Coverage, Part A (General), section IV., paragraph A., definition of Covered Persons, is amended to include:

Covered Persons shall also include Lone Star College System, present and past members of its Board of Trustees, its officers, employees, agents and assigns, and volunteers , who is a Designated Additional Insured the Fund Member has agreed to include as an Additional Insured in a Contract Requiring Insurance under the Fund Member's General Liability Coverage of the School Liability Coverage Agreement. However, such coverage shall only with respect to liability for Bodily Injury or Property Damage arising out of an Occurrence that takes place during the Participation Period, and that is caused by acts or omissions of the Fund Member, and only if the acts or omissions of the Fund Member form the basis for a civil or alternative dispute proceeding filed against the Fund Member and would not be barred by governmental immunity, sovereign immunity, statutory immunity (including but not limited to immunities available under the Texas Tort Claims Act and statutory election of remedies), educator immunity, official immunity, and derivative immunity.

B. The coverage provided to the Designated Additional Insured by this endorsement is further limited as follows:

- No Coverage shall be afforded to the Designated Additional Insured where no coverage shall apply herein for the Fund Member.
- No coverage shall be afforded to the Designated Additional Insured for any Bodily Injury or Property Damage to any employee of the Fund Member or to any obligation of the Designated Additional Insured to indemnify another because of damages arising out of such Bodily Injury or Property Damage.

- In the event the limits of coverage for General Liability Coverage shown in the Contribution and Coverage Summary exceed the limits of liability required by the Contract Requiring Insurance, the coverage provided to a Designated Additional Insured shall be limited to the limits of liability required by that Contract Requiring Insurance. This endorsement shall not increase the limits of the coverage described in the Contribution and Coverage Summary.
- The coverage provided to the Designated Additional Insured by this endorsement is excess over any other valid and collectible insurance, whether primary, excess, contingent or on any other basis, that is available to the Designated Additional Insured for an Occurrence of Bodily Injury or Property Damage that is covered under this endorsement. Additionally, the coverage provided to the Designated Additional Insured by this endorsement is excess over any other valid and collectible insurance, whether primary, excess, contingent or on any other basis, that is available to the Designated Additional Insured when that person or organization is an Additional Insured under such other insurance. However, if the Contract Requiring Insurance specifically requires that this coverage apply on a primary basis, this coverage is primary and the TASB Risk Management Fund will not share any other insurance.
- Any coverage for the Designated Additional Insured shall be provided on if the Occurrence of Bodily Injury or Property Damage occurs:
 1. after the signing and execution of the Contract Requiring Insurance by the Fund Member;
 2. while the Contract Requiring Insurance is in effect;
 3. during the Participation Period; and
 4. during the effective dates of this endorsement.

C. As a condition of coverage provided to the Designated Additional Insured by this endorsement, the Designated Additional Insured must give the TASB Risk Management Fund written notice as soon as practicable of an Occurrence which may result in a claim. The Designated Additional Insured is subject to all claims handling and reporting requirements of the School Liability Coverage Agreement.

D. The following definition is added to the School Liability Coverage Agreement, Part A (General), section IV., as paragraph J:

J. Contract Requiring Insurance means that part of any written contract or agreement under which the Fund Member is required to include a person or organization as an Additional Insured under the General Liability Coverage of the School Liability Coverage Agreement.
