Discussion:

A petition to vacate right-of-way has been submitted by KDA Architecture for land on the southeastern side of N Beech Street adjacent to the Safe Haven Facility located at 101 Lincoln Avenue. RCW 35.79.010 requires that the legislative authority “shall fix a time when the petition will be heard and determined by such authority or committee thereof, which time shall not be more than sixty days nor less than twenty days after the date of the passage of such resolution”. The attached Resolution is only to set the public hearing for the proposed vacation to August 11, 2025, at which time discussion and public comment can be made before making a decision on if the proposed vacation may be approved.

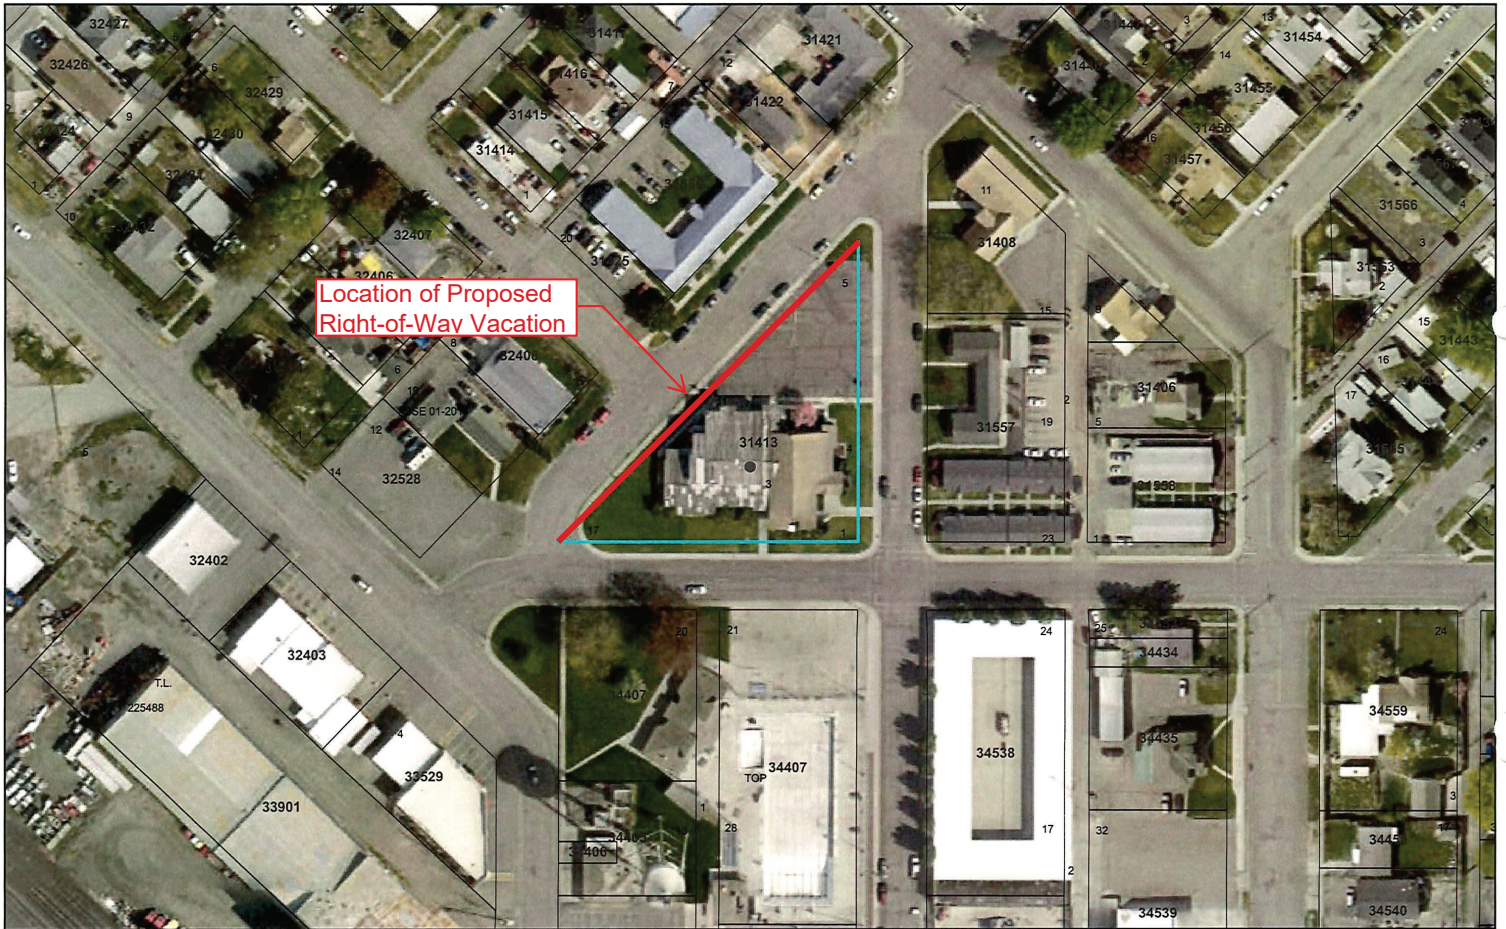

Fiscal Impact:

None.

Recommendation:

Approve Resolution 2025-46, setting Monday August 11, 2025 at 7:00 PM, as the time and date for a public hearing to consider the vacation request.
