

**ARTICLE IX**  
**NONCONFORMITIES**

**Section 9-1 Purpose and Intent**

If, within the districts established by this ordinance, or by amendments that may later be adopted, there exist lots, structures and use of land and structures which were lawful before this ordinance was passed or amended, but which would be prohibited under the terms of this ordinance, it is the intent of this ordinance to permit these nonconformities to continue until they are removed but not to encourage their continuance. Such nonconformities are declared by this ordinance to be incompatible with permitted uses in the districts in which they are located.

It is further the intent of this ordinance that nonconformities shall not be enlarged upon, expanded or used as grounds for adding other structures or uses prohibited elsewhere in the same district.

**Section 9-2 Nonconforming Lots of Record**

**Single Lots of Record**

When a lot has an area which does not conform to the dimensional requirements of the district where they are located, but such lot was of record at the time of adoption of this Ordinance or any subsequent amendment which renders such lot nonconforming, then such lot may be built upon if compliance is achieved with regard to setback dimensions, width, and other requirements, regardless of lot area. Lots that cannot meet the setback, width, and/or buffering requirements of this Ordinance may seek a variance from the Board of Adjustments.

**Section 9-3 Nonconforming Uses of Land**

- 1) Extensions of Use. Nonconforming uses of land shall not be enlarged or extended in any way unless otherwise stated in this section.
- 2) Change of Use. When a non-conforming use of land has been changed to a conforming use, it shall not thereafter be used for any nonconforming use.
- 3) Nonconforming Residential Uses of Land - In the case of a residence that is a nonconforming use of land in a commercial or industrial zone, such residence may be repaired, rebuilt or added to as long as the dimensional requirements of the district are met. Minor variances in setbacks due to lot size may be presented to the Board of Adjustment for consideration. This policy is adopted in the interest of maintaining an adequate stock of housing in Trinity.
- 4) Manufactured Homes as Nonconforming Residential Uses - Manufactured homes on individual zoning lots, are a nonconforming use in Trinity. However, in the interest of maintaining an adequate housing stock in the community, existing manufactured homes are allowed to continue and in certain instances may be replaced.
  - (a) Continuation of a Manufactured Home on An Individual Lot – A manufactured home on an individual lot may be continued, provided that within six months from the date of adoption of this Ordinance it shall be tied down to resist overturning in the event of high winds. All tie downs shall be in accordance with the State of North Carolina Regulations for Manufactured Homes.
