

## STREET LIGHT PETITION

We the undersigned request the City of Trinity to consider the installation of streetlights at the following neighborhood \_\_\_\_\_ or in the \_\_\_\_\_ subdivision. We are requesting the following types of fixtures: Check one:

\_\_\_\_\_ Standard Cobra Head or NEMA fixtures on Wood Poles at No Charge

\_\_\_\_\_ Decorative Fixtures. - I understand that there will be an up-front fee for this type of fixture and for underground electrical service.

Upon receipt of a valid petition, the City Manager or designee will request preparation of a lightning plan. If decorative fixtures are requested, the estimated cost will be determined. Lights are generally placed at intersections and then at about 150-to-200-foot intervals, depending on conditions. Neighborhood petitions must be signed by at greater than 50% of the residents in the affected street or neighborhood.
