

A RESOLUTION AUTHORIZING THE USE OF ON-CALL ENGINEERING AND PROFESSIONAL SERVICES PROVIDERS FOR THE CITY OF TRINITY, NORTH CAROLINA

RESOLUTION 26 – 09

WHEREAS, the City of Trinity periodically requires engineering, environmental, planning, grant administration, and related professional services in support of municipal operations, capital projects, infrastructure improvements, regulatory compliance, and special initiatives; and

WHEREAS, the City has previously utilized the services of qualified engineering firms and professional consultants with demonstrated experience and expertise in providing services to municipalities; and

WHEREAS, the City Council finds that maintaining a pool of qualified on-call engineering and professional service providers is in the best interest of the City and will facilitate the timely and efficient delivery of municipal projects and services; and

WHEREAS, the City Council desires to authorize the use of the following firms and individuals for on-call professional services, as needed and subject to the execution of appropriate agreements and task orders:

- Glover Engineering
- Abbotts Creek Engineering
- BlueStream Environmental
- WithersRavenel
- Linda Smith
- Carrie Spencer

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Trinity, North Carolina, that:

1. The firms and individuals listed above are hereby approved as on-call engineering and professional services providers for the City.
2. The City Manager is authorized to negotiate and execute professional services agreements, work authorizations, task orders, and related documents with the approved firms and individuals, subject to the availability of appropriated funds and compliance with applicable City policies and North Carolina law.
3. The approved providers may be utilized for services including, but not limited to, engineering, environmental services, planning, grant administration, project management, permitting assistance, inspections, surveying, and other related professional services as determined by the City Manager.

4. Nothing in this Resolution shall guarantee any minimum amount of work to any provider, and assignments shall be made at the discretion of the City based upon qualifications, expertise, availability, project needs, and budget considerations.
5. This Resolution shall remain in effect until amended or repealed by the City Council.

Adopted this 22nd day of June, 2026
