Fiscal Impact:

The original 2022 Bridge Maintenance Project contract amount was \$713,000 plus a \$71,300 (10%) contingency for a total authorized contract expenditure amount of \$784,300. The contract expenditure amount is **\$725,402**, which is **\$58,898** below the total authorized contract amount and **\$89,598** below the approved FY22/23 budget (\$815,000 in Measure V funds). While the final contract expenditure amount of \$725,402 does not include expenditures for staff time related to design and construction management, there is adequate funding in the C2007 FY 22/23 budget to fund all project expenses.

Public Communication: Staff will file the Notice of Completion forms with the Nevada county Recorder's office with copies sent to the CA Department of Industrial Relations.
