Re: Truckee Special Service Area 5 Funds (TSSA5) FY26/27

Dear Slater,

Thank you for providing us with the updated information regarding the FY 26/27 TSSA5 funds. The Board is largely in agreement with the recommended intended uses for the TSSA5 funds.

The Board would like to express their continued interest in improving the safety situation at the Legacy Trail crossing on Glenshire Drive, and consideration of use of some matching TSSA5 funds towards this effort. We would like to have a better understanding regarding the lack of resources regarding this potential project, and how GDRA can best support the project.

Further, the Board stated that they would like to have the opportunity to review and comment on Town plans for future drainage projects in the Glenshire region, especially those that could impact the Glenshire Pond.

Per my recent email, we look forward to discussing this project with you before the June 9<sup>th</sup> Town Council meeting.

Thank you.

On behalf of the Board of Directors,

Sincerely,  
*Lori Kelley*
