This moratorium was intended to allow staff time to review current regulations on short-term rentals and propose changes, as necessary. In February 2022, the Town Council provided direction to staff based on community input and stakeholder input, to create additional regulations on short-term rentals including creating a cap on short-term rentals, phasing out short-term rentals in multi-family residential projects and ADUs, and requiring a one-year cooling off period after a property sells. The ordinance was adopted in April 2022. The ordinance is reviewed annually by the Town Council.</p> <p>The Lease to Locals Program (formerly known as the Long-Term Rental Grant Program) has continued into its third year with some programmatic changes, including increasing incentive amounts based on the number of workforce members housed and offering seasonal (5+ months) as well as annual leases. As of January 2026, the program has converted 252 units into long-term rentals and housed 626 locals.</p> <p>In 2022 and 2023, staff developed the Short-Term Rental Workforce Housing Token Pilot Program that incentivizes the creation of workforce housing with the use of a limited number of transient occupancy tax registration certificates.</p> <p>In 2024, staff developed a new workforce rental housing preservation pilot program called Rooted Renters. As of January 2026, it has preserved 65 long term rental units at below market rent rates and housed 163 locals.</p> <p>The Town partnered with the Mountain Housing Council, a regional housing collaborative, to identify publicly owned land and analyze housing potential on each property.</p> <p>Additionally, the State has completed the process of approving a housing project with transitional and supportive housing, on unused State-owned CHP property within the Truckee town limits. The Town continues to work closely to support the development of the 55-unit Pacific Crest Commons project on the State-owner former CHP site in Truckee. <b>Program H-5.1</b>	<p>Continue efforts to streamline the development review process and eliminate any unnecessary delays in the processing of development applications. To streamline development review, the Development Code establishes the Zoning Administrator as the review and approval body for historic variances, minor residential use permits (ten or less units), variances, site plans, certificates of compliance and tentative maps for two to four parcels. To reduce or eliminate potential constraints associated with holding costs, continue to give priority to processing of applications for affordable housing projects. The priority will extend to building inspections during the construction process. Annually review the development review process and priority processing given to affordable housing projects to ensure that affordable housing priority processing does not have an adverse effect on the processing of other development applications. (Source: 2014 Housing Element, Program H-3.1.1)</p>	Ongoing, project-based	6th	Continuous	Affordable housing projects are given priority in processing, including Planning Commission review. <b>Program H-5.3</b>	The Town will study the feasibility of continuing to reduce parking requirements in high-density residential zones where available public transportation and nearby goods and services exist and consider codifying procedures for allowing flexibility for parking through parking studies from the Town's on-call traffic and parking consultant. Based on its findings, the Town will revise the Development Code as appropriate. (Source: 2014 Housing Element, Program H-3.1.3, modified)	Investigate reduced parking by December 2023. Ongoing	6th	In Progress	The 2040 General Plan, adopted in May 2023, supports the development of transportation demand management programs for larger employee-generating projects. Use of Density Bonus Law and AB2097 provide avenues for reduced parking for residential projects. Additionally, with adoption of the Town's Density Bonus program, additional pathways to reduce parking for housing projects will likely be incorporated into the Development Code. <b>Program H-5.4</b>	Investigate, engage in, and collaborate with a long-term regional housing entity that would create housing programs, communicate among regional jurisdictions, manage affordability compliance, and help monitor and enforce housing programs. (Source: New Program)	Investigate a regional housing entity by August 2021.	6th	Continuous	<p>This vision for how to satisfy the components of this goal has continued to evolve.</p> <p>In 2021 the Town of Truckee joined the Truckee Tahoe Workforce Housing Agency Joint Powers Authority (TTWHA) and in 2022 participated in the TTWHA strategic planning process. While the agency's work initially focused on supporting workforce housing for member agency employees, the mission was updated to more broadly support workforce housing in our region (rather than establishing a completely separate housing entity). In the coming year the agency intends to establish a separate 501(c)3 arm to facilitate public-private partnership to support regional workforce housing efforts. The agency provides housing "concierge" services to assist residents with finding available housing and is planning to begin a rental housing master lease pilot program and coordinated legislative advocacy in 2025.</p> <p>The Town was a funding and participating partner throughout the life of the Mountain Housing Council 2017-2023), which addressed housing coordination in the North Tahoe-Truckee region, including availability, variety, and affordability.
