Title: **Truckee Library Joint Powers Authority Logo**

---

**Recommended Action:**

Approve Resolution 2024-11, authorizing the use of the "Truckee Library Joint Powers Authority Logo" as the official logo of the Joint Power Authority.

**Discussion:**

The Joint Powers Authority (JPA) does not currently have an officially designated logo to represent its identity on official documents, policies, and communications. A unique and professional logo can enhance the JPA's visibility, reinforce its brand, and provide consistency across all official materials.

The attached logo, titled "Truckee Library Joint Powers Authority Logo," has been designed to reflect the mission and values of the JPA. Its clean and modern aesthetic aligns with the authority's commitment to professionalism and community service.
