Re: Renewal / Extention for TD Office Campus building (17308 Northwoods Blvd)

Dear Town of Truckee, my application is due to expire at the end of this month... I would like to request another 24 months to try and get this out of the ground.

Due to Covid, the struggling economy, and the doubling of borrowing costs – it has been difficult to secure tenants and financing.

I have spent a considerable amount of money & time on this, and I would love to see this beautiful Office complex completed.

Thanks for your consideration. Feel free to contact me with any questions or inquiries...

Best,

Daniel Mellon
