

## PUBLIC ART COMMISSION OF TRUCKEE STAFF REPORT

Date: May 6, 2025

To: Public Art Commission of Truckee

From: Becky Bucar, Assistant Public Works Director

Subject: Future Agenda Items

---

In addition to reviewing the upcoming Public Art Commission of Truckee (PACT) meeting schedule and topics, staff would like the PACT to discuss the following potential future agenda items:

- A potential joint meeting with the Nevada City Public Art Commission and topic ideas.
- Opportunities for any artist or artist organization to present to the PACT with ideas for projects. Those ideas would then be inventoried for discussion during an annual update to the Opportunity Site/Project list that is part of the PACT Work Plan.

**Staff Recommendation:**

That the Commission receive the staff presentation on potential future agenda items and provide feedback.
