Title: **2024 General Plan Implementation; Adoption of Ordinance 2025-02, Development Code Amendments (Mixed-Use Zoning Districts and Clean-Up Amendments), Zoning Map Amendments, and Amendments to Zoning District Names and Abbreviations**

**Recommended Action:** That the Town Council take the following actions:

- 1) Adopt Ordinance 2025-02, adopting amendments in support of 2040 General Plan implementation to the Truckee Municipal Code, Title 18 Development Code for Mixed-Use Zoning Districts (Chapter 18.14), Clean-Up Amendments, amendments to Zoning District Names and Abbreviations, and amendments to the Town of Truckee Zoning Maps; and
- 2) Determine the amendments to be exempt from the California Environmental Quality Act (CEQA) because the adoption of this ordinance and resolution is not a “project” pursuant to Sections 15060(c)(2) and 15060(c)(3) of Title 14 of the California Code of Regulations, and because under Section 15061(b)(3) of the State CEQA Guidelines, the amendments are exempt from the requirements of CEQA because it can be seen with certainty that the provisions contained herein would not have the potential for causing a significant effect on the environment.

**Discussion:** The Town Council considered the amendments to the Development Code, Zoning Map, and Zoning District Names and Abbreviations at its March 25, 2025 meeting. At the March 25<sup>th</sup> hearing, the Council introduced the ordinance for adoption and approved the amendments as amended. Concurrently, the Council adopted Resolution 2025-10 (General Plan Land Use Diagram and Roadway Noise Contours Diagram Clean-Up Amendments). The resolution will go into effect at the same time as Ordinance 2025-02.
