Title: **Truckee Library Community Workshop Report Out**

Recommended Action:

The Board accept the presentation

Discussion:

In November 2025, the JPA Board directed staff to elevate a community workshop on the new Truckee Regional Library project to ensure sufficient public outreach occurs, and on April 15, 2026, the JPA Board accepted a presentation from staff outlining the plans for the community workshop.

The community workshop was held on June 3, 2026 at the Steve Randall Community Recreation Center and included a presentation from the core project partners as well as JKAE Design.

The Friends of the Truckee Library is here to share on the outcome of the event.

Therefore, staff recommends the Board accept the presentation.
