Board Memo Author and title: Mandy Stewart, Senior Management Analyst, Nevada County

Title: **Ballot Measure Language**

Recommended Action: Board Review and Approve Ballot Measure Language

Background:

On April 23, 2025, the Board received an initial presentation on the proposed ballot measure language for the special election. Following feedback provided at the April 23rd meeting, staff updated the language to incorporate the recommendations. Input was also provided by the Library Bond Measure Committee.

The new language has been reviewed by Stradling Law, Nevada County County Counsel, Town of Truckee Attorney, and both Nevada County's and Placer County's Registrar of Voters.

The ballot question must be 75 words or less and the proposed language has been confirmed to comply with the word count guidelines utilized by Nevada and Placer County Elections Offices.

Staff is recommending the JPA Board review and approve the attached Ballot Measure Language (Exhibit A). The language is required to be included in the Resolution of Formation which we will ask the Board to approve in June 2025.
