Dear Property Owner,

This is to notify you that your account referenced has been identified as delinquent. If the above balance is not paid by **May 24<sup>th</sup>, 2022**, a lien could be placed on the property. If a lien is to be placed on the property there will be a public hearing to determine whether the account balance will be placed on the Nevada County Tax Bill. The Town of Truckee Solid Waste Ordinance provides for the following collection process for delinquent accounts:

“Pursuant to the authority of Town Ordinance No. 2005-36, the Town Council of the Town of Truckee will hold a public hearing to determine whether certain delinquent collection services shall be a lien against the described property.”

The Council shall hold a public hearing upon the delinquent and unpaid charges and any owner, occupant or person in possession may appear and object to the charges or any portions thereof. If the Council finds and declares that such charges are true and correct, the Council may pass resolution making such charges a lien upon the real property from which service was furnished or chargeable.

Please remit the amount owed to avoid the above action. If you have any questions please call our office at (530) 583-7800. If you have already made payment, please contact our office as soon as possible so we may ensure the proper recording and suspend any further action regarding this past due amount.
