AN ORDINANCE OF THE TOWN OF TRUCKEE AMENDING CHAPTER 10.18 – PARKING REGULATIONS OF THE TRUCKEE MUNICIPAL CODE

WHEREAS, Title 10 of the Town Municipal Code; Chapter 10.18 - Parking Regulations establishes requirements related to the Downtown Parking District, including associated policies, regulations, and operations; and

WHEREAS, the Town Council adopted Resolution 2009-32 Certifying the Railyard Master Plan and associated Environmental Impact Report and Mitigation Monitoring and Reporting Program; a subsequent 2016 addendum, including parking and circulation elements stating “parking would be managed and assessed on an area-wide or district level, instead of on a parcel-by-parcel level;” and the associated Parking Management Plan; and

WHEREAS, the Town of Truckee 2019 Parking Action Plan recommended management practices and policies within the Downtown Parking District that aim to optimize parking operations based on near-, mid-, and long-term strategies; and

WHEREAS, the Town Council adopted the 2040 General Plan on May 9, 2023, thereby establishing the Council’s policy on future growth and development, including strategies focused on mobility and transportation demand management, including parking management; and

WHEREAS, Town staff have identified areas requiring code clean-up for consistency and accuracy of current parking policy and to provide for future streamlining of policy updates through resolution; and

WHEREAS, Town staff desire to expand the parking permit program to allow for Overnight Parking Permits, including Valet Permits, to support current and future parking management strategies identified and/or recommended in the Railyard Master Plan, Parking Action Plan and General Plan Mobility Element.
