

# CITY OF TUALATIN

## Staff Report

**TO:** Honorable Mayor and Members of the City Council

**THROUGH:** Sherilyn Lombos, City Manager

**FROM:** Don Hudson, Assistant City Manager/Finance Director

**DATE:** June 23, 2025

---

### **SUBJECT:**

Consideration of **Resolution No. 5887-25** Amending Water, Sewer, Stormwater, Road and Parks Utility Fee Rates Inside the City of Tualatin and Rescinding Resolution No. 5785-24.

### **RECOMMENDATION:**

Staff recommends adopting the attached Resolution.

### **EXECUTIVE SUMMARY:**

Water rates are increasing as determined in the Water Master Plan, with the consumption rate increasing from \$4.37 per 100 cubic ft. (CCF) to \$4.89 per CCF, the service charge increasing from \$6.20 per month to \$6.94 per month, and the facilities charge increasing per the schedule in Section 5 of the attached resolution.

The Road Utility Fee was created for the purpose of maintenance of City streets, which includes repairing sidewalks under a sidewalk maintenance program, landscape enhancements along the rights-of-way, street tree replacement, and for paying the operating cost of street lights. The pavement maintenance and street light portion of the fee was created in April 1990, with the sidewalk/street tree portion added in July 1991. New rates were established in July 2017, and an indexing of the rate was updated using a formula utilized by Washington County for the Transportation Development Tax each year. The three-pronged index was recently approved by the Washington County Board of Commissioners at 8.32%. The attached resolution increases the Road Utility and Sidewalk/Street Tree Fees by this index.

Sewer and Stormwater rates are composed of two separate components; a regional rate set by Clean Water Services (CWS) and a local rate adopted by the City Council. The CWS board has adopted an increase changing the regional base rate from \$29.52 per Equivalent Dwelling Unit (EDU) to \$30.41 per EDU, and the sewer usage rate from \$1.96 per CCF to \$2.02 per CCF. The City Council is asked to set the local rate as recommended in the Sewer Master Plan. This increase will raise the local base rate from \$9.73 per EDU to \$10.51 per EDU and the local usage rate from \$0.662 per CCF to \$0.715 per CCF. Stormwater rates increase from \$11.84 per Equivalent Surface Unit (ESU) to \$12.19 per ESU, with a regional rate of \$2.82 per ESU and a local share of \$9.37 per ESU.

Sewer and Stormwater System Development Charges (SDC) were also adopted by Clean Water Services and are included in the attached resolution. The City retains 4% of the Sewer SDC for local capital needs. The Stormwater SDC rate is adopted by CWS and is 100% retained by the City.

On April 26, 2021, the City Council adopted a Parks Utility Fee rate of \$5 per dwelling unit. The rate was effective July 1, 2021 and remains unchanged for fiscal year 2025/2026.

The impact of the rate increases detailed above will increase the average residential utility bill, using 5 CCF per month, for these services by \$7.27

**OUTCOMES OF DECISION:**

Adoption of the attached resolution sets new rates effective July 1, 2025.

**FINANCIAL IMPLICATIONS:**

With the new rates, the average monthly Tualatin residential utility bill will increase from \$110.22 to \$117.50
