SUBJECT:
Tualatin Community Emergency Response Team (CERT) 2024-2025 Annual Report

EXECUTIVE SUMMARY:
Tualatin's Community Emergency Response Team (CERT) will give their annual report for 2024-2025.

The CERT program educates Tualatin-based volunteers about disaster preparedness for the hazards that may impact their area and trains them in basic disaster response skills, such as fire safety, light search and rescue, team organization, and disaster medical operations. Supported by the Federal Emergency Management Association (FEMA), CERT offers a consistent, nationwide approach to volunteer training and organization that professional responders can rely on during disaster situations, allowing them to focus on more complex tasks.

The City of Tualatin supports Tualatin CERT both administratively and financially and signs an agreement with CERT each fiscal year.
