RECITALS

Oregon Revised Statutes (“ORS”) 190.010 confers authority upon local governments to enter into agreements for the performance of any functions and activities that a party to the agreement, its officers or agencies have authority to perform.

The District has requested, and the City has agreed, that the City provide police officers (“Officer”) who will act as school resource officers (“SRO”). SROs fulfill a vital role in promoting communication and cooperation between the school district and law enforcement to support safe school communities and contribute to the learning process.

In consideration of the mutual promises set forth below and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties hereby agree as follows:

TERMS

1. **Term.** This Agreement shall be effective upon execution by both parties, and shall expire on June 30, 2025 unless terminated earlier as provided in this Agreement.
2. **Scope of Work.** The City agrees to provide the services (“Work”) further identified in the Scope of Work and Additional Terms and Conditions, attached hereto as Exhibit A and incorporated herein. Parties will meet prior to the start of each school year to discuss anticipated needs, within the Scope of Work, in the upcoming school year.
3. **Consideration.** The District agrees to pay City, from available and authorized funds, the amount set forth on the schedule attached hereto as Exhibit B for accomplishing the Work required by this Agreement.
4. **Payment.** Unless otherwise specified, the City shall submit monthly invoices for Work performed. The District shall pay the City following the District’s review and approval of the invoice. Agreement, when executed and delivered, shall be a valid and binding obligation of District enforceable in accordance with its terms.

B. City Representations and Warranties. City represents and warrants to District that City has the power and authority to enter into and perform this Agreement, and this Agreement, when executed and delivered, shall be a valid and binding obligation of City enforceable in accordance with its terms.

C. The warranties set forth in this section are in addition to, and not in lieu of, any other warranties provided.

6. Termination.

A. Either the City or the District may terminate this Agreement at any time upon 90 days' written notice to the other Party.

B. Either the City or the District may terminate this Agreement in the event of a breach of the Agreement by the other. Prior to such termination however, the Party seeking the termination shall give the other Party written notice of the breach and of the Party's intent to terminate. If, in the non-breaching Party's sole discretion, the breaching Party has not entirely cured the breach within 15 days of delivery of the notice to the breaching Party, then the Party giving notice may terminate the Agreement at any time thereafter by giving written notice of termination stating the effective date of the termination.

C. The City or the District shall not be deemed to have waived any breach of this Agreement by the other Party except by an express waiver in writing. An express written waiver as to one breach shall not be deemed a waiver of any other breach not expressly identified, even though the other breach is of the same nature as that waived.

D. Either Party may terminate this Agreement in the event it fails to receive expenditure authority sufficient to allow the Party, in the exercise of its reasonable administrative discretion, to continue to make payments for performance of this Agreement, or if federal or state laws, regulations or guidelines are modified or interpreted in such a way that either the Work to be performed under this Agreement is prohibited or the Party is prohibited from paying for such Work from the planned funding source.

E. Any termination of this Agreement shall not prejudice any rights or obligations accrued to the Parties prior to termination.

7. Indemnification. Subject to the limits of the Oregon Constitution and the Oregon Tort Claims Act or successor statute, the City agrees to indemnify, save harmless and defend the District, its officers, elected officials, agents and employees from and against all costs, losses, damages, claims or actions and all expenses incidental to the investigation and defense thereof arising out of or based upon damages or injuries to persons or property arising out of or resulting from the performance of the Work by the City or its officers, elected officials, owners, employees, agents, or its subcontractors or anyone over which the City has a right to control.

Subject to the limits of the Oregon Constitution and the Oregon Tort Claims Act or successor statute, the District agrees to indemnify, save harmless and defend the City, its officers, elected officials, agents and employees from and against all costs, losses, damages, claims or actions and all expenses incidental to the investigation and defense thereof arising out of or based upon damages or injuries to persons or property caused by the negligent or willful acts of the District or its officers, elected officials, owners, employees, agents, or its subcontractors or anyone over which the District controls.

However, neither District nor any attorney engaged by District shall defend the claim in the name of City or any department of City, nor purport to act as legal representative of City or any of its departments, without first receiving from the Tualatin City Attorney's Office authority to act as legal counsel for City, nor shall District settle any claim on behalf of City without the approval of the Tualatin City Attorney's Office. City may, at its election and expense, assume its own defense and settlement.

Similarly, neither City nor any attorney engaged by City shall defend the claim in the name of District or any department of the District, nor purport to act as legal representative of District or any of its departments, without first receiving from the District's legal counsel authority to act as legal counsel for District, nor shall City settle any claim on behalf of District without the approval of the District's legal counsel. District may, at its election and expense, assume its own defense and settlement.

8. Insurance. City shall maintain the following insurance coverage(s) (or equivalent self-insurance coverage), as applicable, for the term of the Agreement:

A. Workers' Compensation. As required by ORS 656.017, subject employers shall provide workers' compensation coverage in accordance with ORS Chapter 656 for all subject workers. City and all subcontractors of City with one or more employees shall have this insurance unless exempt under ORS 656.027. Agencies that are statutory subject employers shall submit a certificate of insurance to District showing proof of coverage.

B. General Liability. City shall maintain general liability insurance coverage of at least \$2,000,000 for each claim, incident, or occurrence, and at least \$3,000,000 annual aggregate coverage.

C. Motor Vehicle Liability. If City is providing services that require City to transport District personnel, students, or property, then in addition to any legally required insurance coverage, City shall maintain motor vehicle liability insurance of at least \$1,000,000 for each claim, incident, or occurrence.

D. Additional Requirements. All insurance coverage shall be provided by an insurance company having an A.M. Best rating of at least A- that is licensed to do business in Oregon. City alone is responsible for paying all deductibles and retentions. A cross-liability clause or separation of insureds condition shall be included in all general liability policies required by this Contract. City's coverage shall be primary in the event of loss.

E. Certificate of Insurance. Upon District request, City shall furnish to District a current certificate of insurance for each of the above coverages within 48 hours of District

request. Each certificate must provide that there shall be no cancellation, termination, material change, or reduction of limits of the insurance coverage without 30 days prior written notice from City or its insurer to District. Each certificate shall also state the relevant deductible or retention level. For general liability coverage, the certificate shall also provide that District, its agents, officers, and employees are additional insureds with respect to City's services provided under this Contract. If requested by District, City shall also provide complete copies of insurance policies to District.

F. Self-Insured Agencies. If City is self-insured in full or in part, City shall submit proof of self-insurance coverage equal to or better than the insurance coverages required in this section.

Oregon and the ordinances of the City without giving effect to the conflict of law provisions thereof. Any claim between City and District that arises from or relates to this Agreement shall be brought and conducted solely and exclusively within the Circuit Court of Washington County for the State of Oregon; provided, however, if a claim must be brought in a federal forum, then it shall be brought and conducted solely and exclusively within the United States District Court for the District of Oregon. In no event shall this section be construed as a waiver by the City or the District of any form of defense or immunity, whether sovereign immunity, governmental immunity, immunity based on the Eleventh Amendment to the Constitution of the United States or otherwise, from any claim or from the jurisdiction of any court.

B. Compliance with Applicable Law. Both Parties shall comply with all applicable local, state and federal ordinances, statutes, laws and regulations. All provisions of law required to be a part of this Agreement, whether listed or otherwise, are hereby integrated and adopted herein. Failure to comply with such obligations is a material breach of this Agreement.

C. Non-Exclusive Rights and Remedies. Except as otherwise expressly provided herein, the rights and remedies expressly afforded under the provisions of this Agreement shall not be deemed exclusive, and shall be in addition to and cumulative with any and all rights and remedies otherwise available at law or in equity. The exercise by either Party of any one or more of such remedies shall not preclude the exercise by it, at the same or different times, of any other remedies for the same default or breach, or for any other default or breach, by the other Party.

D. Access to Records. District and City shall retain, maintain, and keep accessible all records relevant to this Agreement (“Records”) for a minimum of six years, following Agreement termination or full performance or any longer period as may be required by applicable law, or until the conclusion of an audit, controversy or litigation arising out of or related to this Agreement, whichever is later. District and City shall maintain all financial records in accordance with generally accepted accounting principles. The District and the city shall maintain other Records to the extent necessary to reflect actions taken and consistent with the applicable public records retention requirement. During this record retention period, City shall permit the District’s authorized representatives’ access to the Records at reasonable times and places for purposes of examining and copying.

E. Debt Limitation. This Agreement is expressly subject to the limitations of the Oregon Constitution and Oregon Tort Claims Act, and is contingent upon appropriation of funds. Any provisions herein that conflict with the above referenced laws are deemed inoperative to that extent.

F. Severability. If any provision of this Agreement is found to be unconstitutional, illegal or unenforceable, this Agreement nevertheless shall remain in full force and effect and the offending provision shall be stricken. The Court or other authorized body finding such provision unconstitutional, illegal or unenforceable shall construe this Agreement without such provision to give effect to the maximum extent possible the intentions of the Parties.

G. Integration, Amendment and Waiver. Except as otherwise set forth herein, this Agreement constitutes the entire agreement between the Parties. There are no understandings, agreements, or representations, oral or written, not specified herein regarding this Agreement. No waiver, consent, modification or change of terms of this Agreement shall bind either Party unless in writing and signed by both Parties and all necessary approvals have been obtained. Such waiver, consent, modification or change, if made, shall be effective only in the specific instance and for the specific purpose given. The failure of either Party to enforce any provision of this Agreement shall not constitute a waiver by such Party of that or any other provision.

H. Interpretation. The titles of the sections of this Agreement are inserted for convenience of reference only and shall be disregarded in construing or interpreting any of its provisions.

I. Independent Contractor. Nothing herein is intended, nor shall it be construed, to create between the Parties any relationship of principal and agent, partnership, joint venture, joint employer or any similar relationship, and each Party hereby specifically disclaims any such relationship.

J. No Third-Party Beneficiary. District and City are the only parties to this Agreement and are the only parties entitled to enforce its terms. Nothing in this Agreement gives, is intended to give, or shall be construed to give or provide any benefit or right, whether directly, indirectly or otherwise, to third persons unless such third persons are individually identified by name herein and expressly described as intended beneficiaries of the terms of this Agreement.

K. Counterparts. This Agreement may be executed in several counterparts (electronic or otherwise), each of which shall be an original, all of which shall constitute the same instrument.
