Re: Lam Research
11155 SW Leveton Dr.
Tualatin, OR 97062

Dear Sonya,

Thank you, for sending us the preliminary site plans for this proposed development in Tualatin, OR.

My Company: Republic Services of Clackamas and Washington Counties has the franchise agreement to service this area with the City of Tualatin. We will provide complete commercial waste removal and recycling services as needed on a weekly basis for this location

The design plans for a Front Load trash and recycle enclosure with dimensions of 20' wide X 10'-2" deep with two gates that open to a minimum of 120 degrees, wind pins mounted to gates and capable of securing gates in the open and closed position, no center post, is adequate for housing our receptacles and is accessible for our trucks to service.

The design plans for a self-contained trash compactor chute located at the loading dock, with a footprint of 8'-5" wide X 20'-9" deep, with all service connections accessible from ground level on the north side, wheel guiderails that extend the length of the compactor with wheels stops to prevent collision with the loading dock, minimum of 4'Ft. clearance from the aesthetics wall that does not extend past the length of the compactor, is adequate for our trucks to service. Our operations team will require confirmation of the compactor compatibility with our trucks and ground set up at the time of installation.

The site access and truck traffic pattern design plan will allow our trucks to navigate the site and service both the Front Load and Compactor receptacles. The planned receptacles for this 123,460 square foot office building are adequate and allows for adjusted service levels as needed.

Thanks Sonya, for your help and concerns for our services prior to this project being developed.

Sincerely,

Hello Erin,

Thanks. In response to TDC 32.140 (1)(h):

A statement as to whether any City-recognized Citizen Involvement Organizations (CIOs) whose boundaries include, or are adjacent to, the subject property were contacted in advance of filing the application and, if so, a summary of the contact. The summary must include the date when contact was made, the form of the contact and who it was with (e.g. phone conversation with neighborhood association chairperson, meeting with land use committee, presentation at neighborhood association meeting), and the result;

We did not contact any City-recognized CIOs.

Please use this statement in your completeness checklist.

Thanks,

Thanks, Erin,

I'm not seeing it in the code at my fingertips; what should the "notice" entail? A site plan and FYI that we've submitted?

The arborist is working on the report and we hope to have that done very soon.

We'll probably want to wait until 9/16 for the incomplete letter.

Thanks,

Suzannah Stanley

Hi Suzannah-

Hope you had a good Labor Day weekend. Steve brought me up to speed with the LAM check-in meeting, and I wanted to circle back with you on your questions.

For your question below, there is additional information on our CIOs shared in Chapter 11 of our Municipal Code, specifically [TMC 11-9-060](#) states:

The Commercial and Manufacturing CIOs' boundaries are designated as the boundary of the entire Planning Area of the City of Tualatin (see Figure 11-9-1, below).

Therefore the LAM site would fall within the Commercial CIO boundaries and reaching out to them would be encouraged to satisfy [TDC 32.140\(1\)\(h\)](#). The contact list for the Commercial CIO includes: tualatincommercialcio@gmail.com, scottm@capacitycommercial.com, robertekellogg@yahoo.com, famtunstall1@frontier.com.

I also understand that you had questions on submittal items for tree removal. I wanted to confirm that a Tree Assessment Report is a required completeness item under [TDC 32.140\(1\)\(c\)](#) and [TDC 33.110\(4\)\(b\)](#); and is needed to satisfactorily demonstrate that our approval criteria for tree removal is met. Additionally, preserving the City's tree canopy is of interest to our Architectural Review Board and they will want to review the report as part of their decision.

Please let me know if you'd like me to wait until September 16 (last date granted by ORS) to make my completeness determination for your applications, or if you'd prefer that I share that in the next few days.

Hello Steve and Erin,
We took a look at the CIO notice requirements.

“Notice Requirements. The applicant must provide notice to neighboring property owners (within 1,000 feet), designated Citizen Involvement Organization (CIO) representatives, and the Tualatin Community Development Department. The City is able to provide the applicant with a complete

Mailing Area List for a fee. Requests for Mailing Area Lists can be made by contacting planning@tualatin.gov

However, the Lam site is not inside of a CIO district.

We obtained the complete mailing area list from the Planning department but since there aren't any, no CIOs were listed. So it seems like that requirement doesn't apply. Let me know if you have any questions. Thanks,

Suzannah Stanley

RE: LAM Research – New Office Building and Parking
Rescheduled Neighborhood Meeting

Dear Property Owner:

You recently received an invitation to a virtual neighborhood meeting on August 8, 2022 at 8:00 PM. Unfortunately, due to a conflict, we have rescheduled the meeting to August 16 at 7:00 PM. The meeting will be held in person at:

Juanita Pohl Center
8513 SW Tualatin Road
Tualatin, OR 97062
Tuesday, August 16 at 7:00 PM

This meeting is being held to discuss a proposed project located at 11155 SW Leveton Drive. The proposal is for a new 120,000 SF, 4-story building on the south end of the existing Lam campus, east and south of existing buildings. The proposed parking expansion will be east and northeast of the proposed building. The project will require a Type III Architectural Review due to the building size, as well as a modification to the previous Industrial Master Plan due to one component of the proposed parking lot design (also a Type III review).

This is an informational meeting to share the development proposal with interested neighbors. You will have the opportunity to review preliminary plans and identify topics of interest or consideration. Feel free to contact me with any questions or commentary.

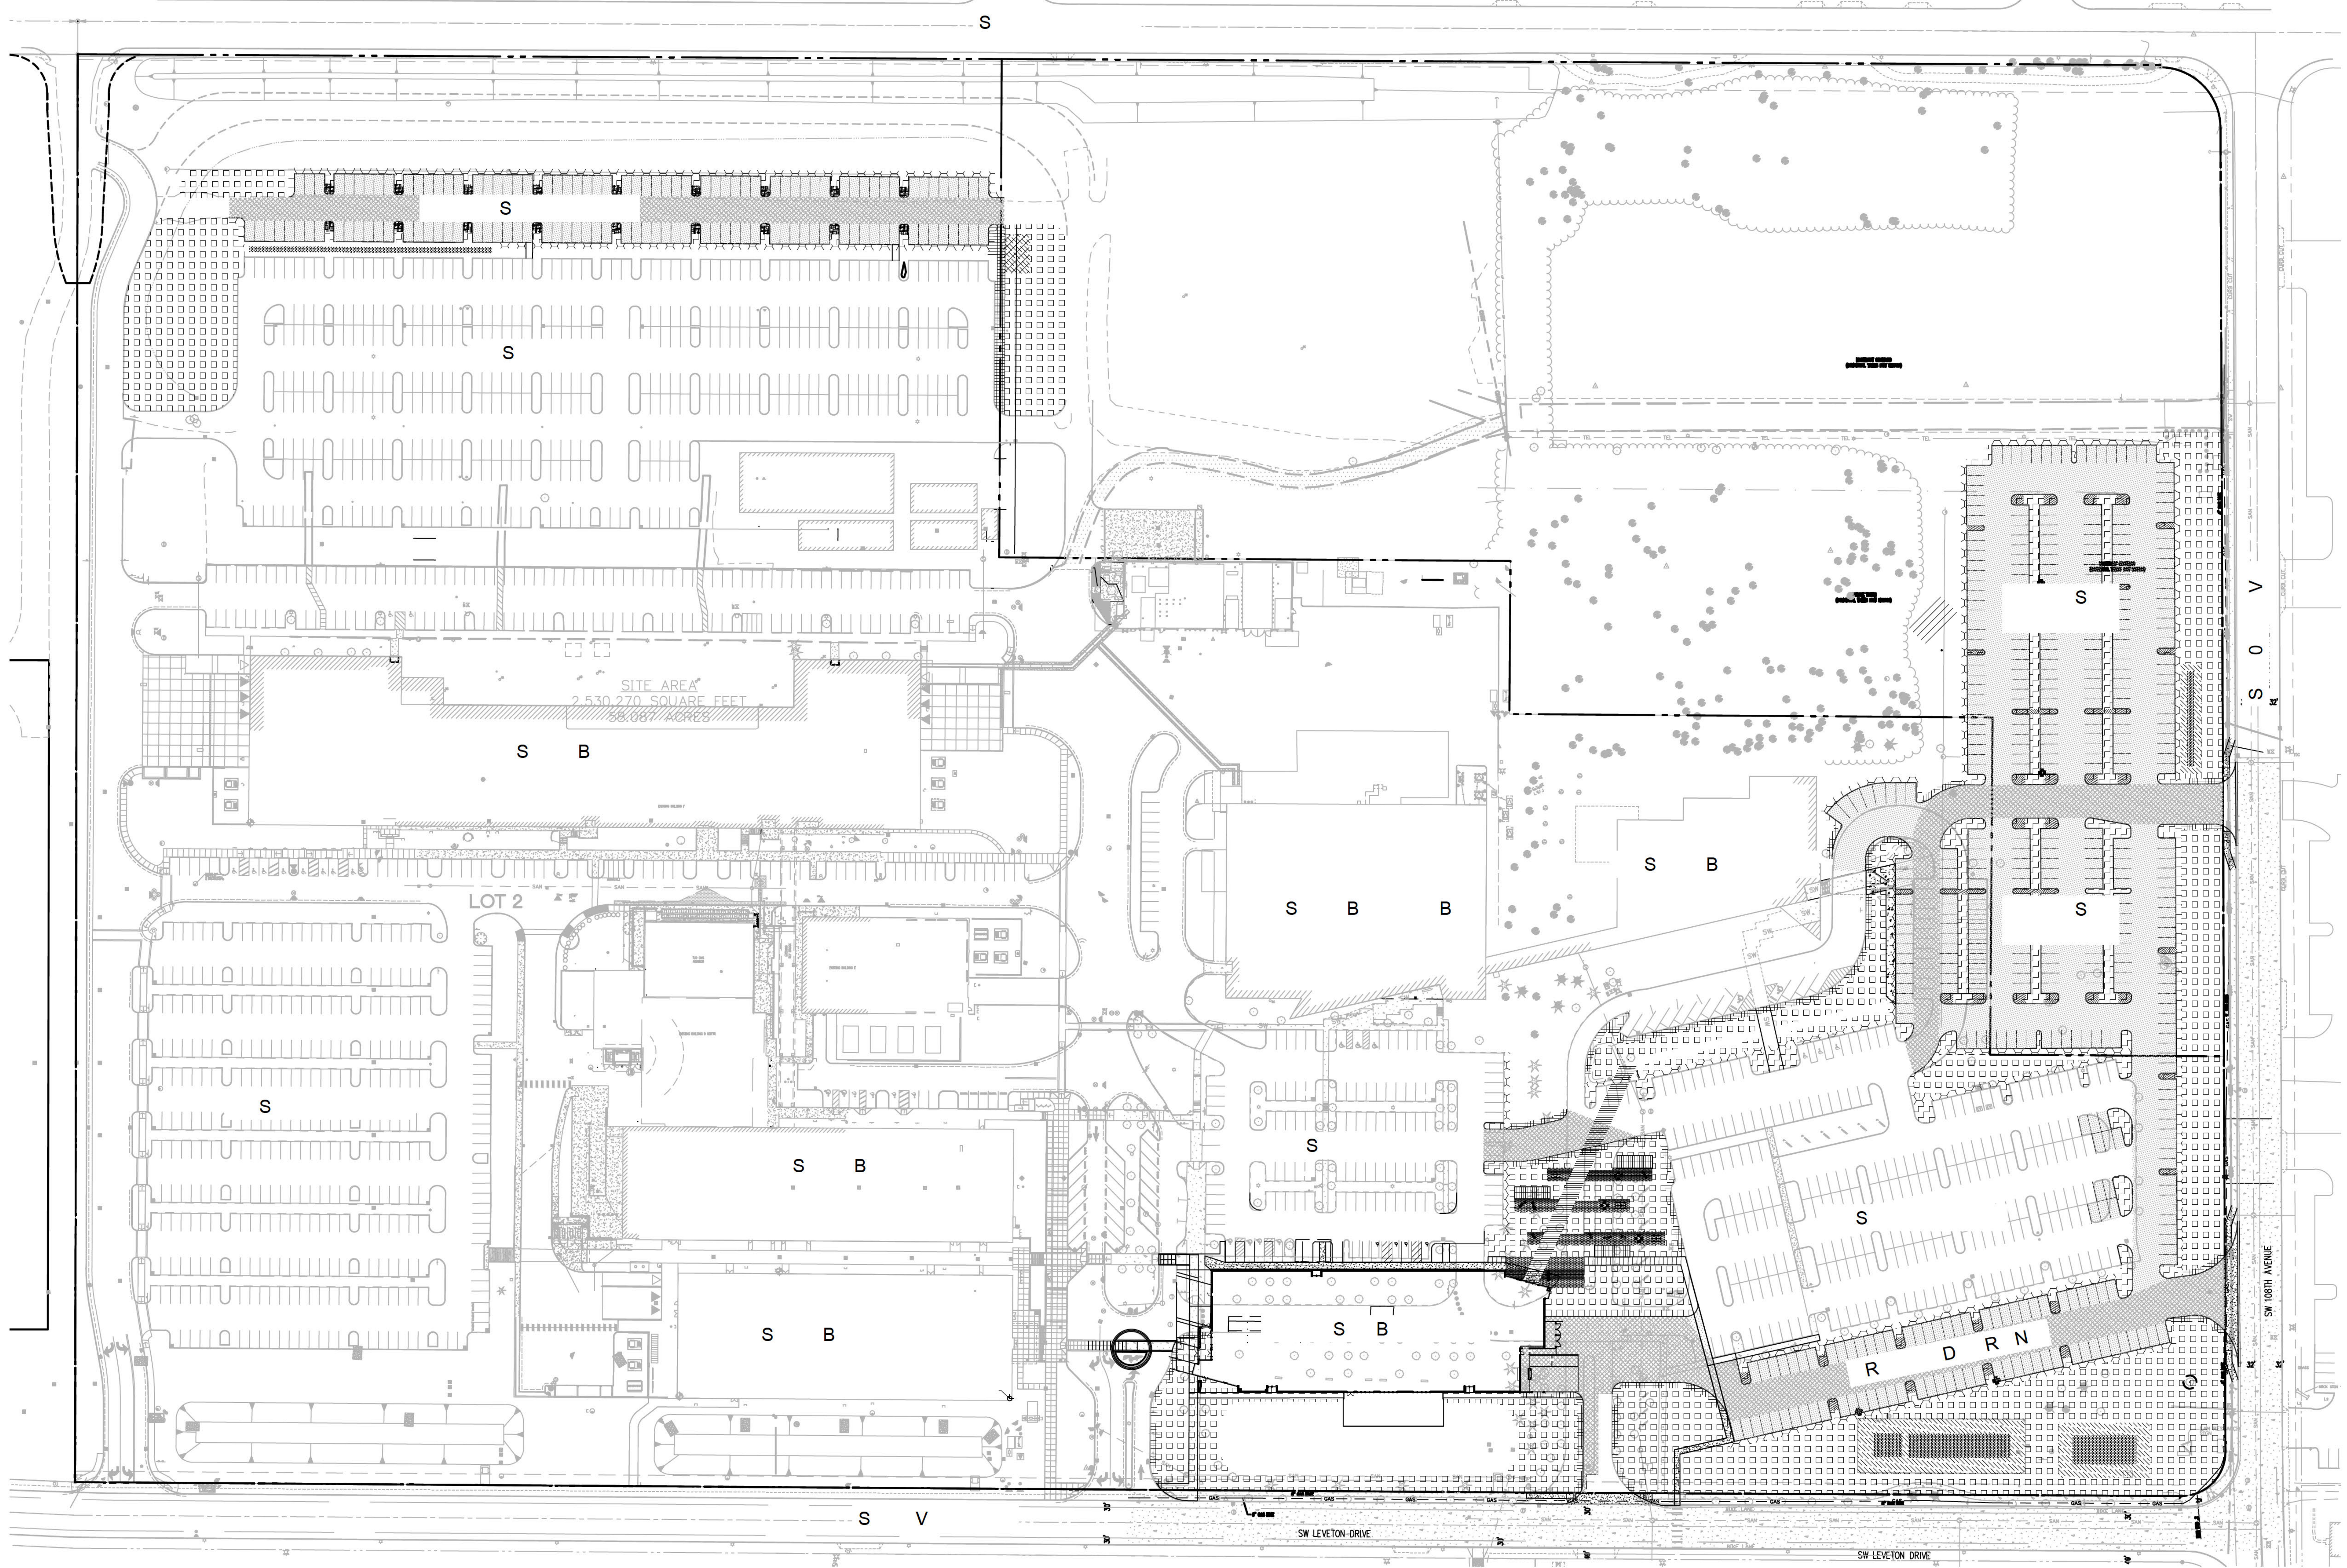

Regards,

Suzannah Stanley, Land Use Planner

PROJECT NAME: Lam Research New Office Building

RECORDED BY: Suzannah Stanley – Land Use Planner
TO: FILE
PRESENT: Jennifer Otterness – Lam Research
Joan Hamilton, Dominic Tallent – Neighbors
Mike Rueter, Janet Jones, Suzannah Stanley – Mackenzie

SUBJECT: Neighborhood Meeting Minutes (August 16, 2022)

INFORMATION ITEMS

1. The meeting began at 7:06 PM.
2. Suzannah Stanley (Mackenzie) described the project and that it will require a Type III AR application and Type III IMP.
3. Dominic Tallent (Neighbor) asked what the hours would be at the new building: staggered shifts or day schedule? Jennifer Otterness (Lam Research) said during the day.
4. Joan Hamilton (Neighbor) asked how many employees. Jennifer said up to 600; some from the existing buildings, probably 500-550 new. Joan said Tualatin Road is getting very busy and there are no adequate crosswalks. Janet Jones (Mackenzie) said recent and historical counts have found Lam trips travel mostly via Leveton Drive to 124th Avenue and OR 99W and via 108th to Herman Road and I-5.
5. Jennifer said Lam put a crosswalk in on Tualatin Road. Joan said the Tualatin Road/115th Avenue intersection is unsafe for kids.
6. Dominic asked about the accesses in and out on Tualatin. Janet said there is no access to Tualatin Road, currently only a fire access is provided on Tualatin Road. Jennifer said we looked at opening that but it's faster to go down Leveton Drive and up 124th Avenue. Joan said we should study 115th/Hazelbrook. Janet said the City didn't require that one. Mike Rueter (Mackenzie) said that under existing conditions that intersection may have issues but we have to focus on what's this project's impacts are.
7. Janet shared the results of the traffic study and where the traffic tends to go. We studied intersections where the project adds the City's trip threshold. Based on our available data, we do not believe new trips will route to OR 99W via Hazelbrook Road.
8. Mackenzie staff shared their business cards with the neighbors in case of their future questions. The meeting adjourned around 7:25 PM.

Every effort has been made to accurately record this meeting. If any errors or omissions are noted, please provide written response within five days of receipt.

CERTIFICATION OF SIGN POSTING

The applicant must provide and post a sign pursuant to Tualatin Development Code (TDC 32.150). The block around the word "NOTICE" must remain yellow composed of the RGB color values Red 255, Green 255, and Blue 0. A template is available at:

<https://www.tualatinoregon.gov/planning/land-use-application-sign-templates>

NOTE: For larger projects, the Community Development Department may require the posting of additional signs in conspicuous locations.

As the applicant for the _____ project,
I hereby certify that on this day, _____ sign(s) was/were posted on the subject property in
