## CITY OF TUALATIN Staff Report

**TO:** Honorable Mayor and Members of the City Council

**THROUGH:** Sherilyn Lombos, City Manager

**FROM:** Ross Hoover, Parks and Recreation Director  
Rich Mueller, Parks Planning and Development Manager

**DATE:** January 10, 2022

---

**SUBJECT:**  
Basalt Creek Parks and Recreation Draft Plan

### **EXECUTIVE SUMMARY:**

The 2018 Parks and Recreation Master Plan identified the need for future parks, trails and natural areas in Basalt Creek. Planning consultant MIG and City staff have completed the Parks and Recreation planning work in the Basalt Creek planning area, which included extensive community engagement. Consultant studies included developing acquisition criteria, analyzing potential locations, conducting a market study, and proposing an acquisition approach. During May through December 2021, planning work included conducting public outreach and community engagement, developing and refining park and trail design programs, and finalizing the draft Basalt Creek Parks and Recreation Plan.

Staff and project consultants will present the proposed Basalt Creek Parks and Recreation Final Draft Plan for Council questions, comments, and input.

The final draft plan is attached and report appendices can be found on the project website under supporting documents at <https://www.tualatinoregon.gov/recreation/webforms/basalt-creek-parks-recreation-plan>.
