Tualatin Moving Forward Quarterly Update

### **EXECUTIVE SUMMARY:**

This update describes Tualatin Moving Forward projects planned for construction in 2022 and 2023.

In May 2018, Tualatin voters approved a \$20 million bond measure to pay for projects that improve traffic flow, neighborhood safety, and provide safe access to schools and parks citywide. The Tualatin Moving Forward Program Team is committed to providing the City Council with quarterly updates in alignment with the agreed-upon communication goals to:

- Be fully transparent and commit to communicating at every stage;
- Continue to engage the community in projects;
- Use multiple channels to communicate with diverse audiences; and
- Demonstrate progress and build confidence with the community-score cards, quarterly reports, project signage and more.
