SUBJECT:
Tualatin Moving Forward Quarterly Update/Virtual Bus Tour

EXECUTIVE SUMMARY:

In light of health recommendations, this year's bus tour has gone "virtual". The presentation will include eight tour stops highlighting recently completed projects and others that have reached significant milestones.

In May 2018, Tualatin voters approved a \$20 million bond measure to pay for projects that improve traffic flow, neighborhood safety, and provide safe access to schools and parks citywide. The Tualatin Moving Forward Program Team is committed to providing the City Council with quarterly updates in alignment with the agreed-upon communication goals to:

- Be fully transparent and commit to communicating at every stage;
- Continue to engage the community in projects;
- Use multiple channels to communicate with diverse audiences; and
- Demonstrate progress and build confidence with the community-score cards, quarterly reports, project signage and more.
