Attention: **Planning Division** Ann 20-0002 annexation of 10835 SW Tualatin road

I would be nice to have a clearance back from the sidewalk over the years shrubs and the fence line make it hard to see cars coming on Tualatin road when you trying to turn from 109<sup>th</sup> Street onto Tualatin Road.

It has been worst than this picture over the years.

Any Change to 10835 SW Tualatin Rd. will be welcome.
