

RESOLUTION NO. 5795-24

A RESOLUTION AUTHORIZING THE CITY MANAGER TO EXECUTE A CONTRACT AMENDMENT WITH WALLIS ENGINEERING FOR ADDITIONAL PROFESSIONAL ENGINEERING AND RELATED SERVICES.

WHEREAS, the City has an existing design and construction services contract with Wallis Engineering for the Martinazzi Sanitary Sewer Trunk Line Upsizing (Priority 2) project;

WHEREAS, in 2023 and 2024, the parties executed two amendments to the design and construction services contract;

WHEREAS, expanding this existing contract to include water line upsizing work allows these improvements to be made more efficiently than as a stand-alone project;

WHEREAS, pursuing the additional water line upsizing would require additional engineering design and construction management services during the construction phase to ensure a successful project;

WHEREAS, the Parties wish to amend the existing contract to include additional work and adjust the contract price to account for the cost of this additional work; and

WHEREAS, there are funds available for this additional work in the Water Fund;

NOW THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF TUALATIN, OREGON, that:

Section 1. The City Manager, or the City Manager’s designee, is authorized to execute a contract amendment to the existing design and construction services contract with Wallis Engineering, increasing the total amount of the contract to not exceed \$300,000.

Section 2. This resolution is effective upon adoption.

Adopted by the City Council this 12th day of August, 2024.
