SUBJECT:
Basalt Creek Parks and Recreation Update

EXECUTIVE SUMMARY:

City Council adopted the Parks and Recreation Master Plan in 2019, and accepted the Basalt Creek Parks and Recreation Plan in 2022. These plans identified needs for parks, trails, and natural areas in the Basalt Creek area. Parkland planning involved extensive public outreach and community engagement. The Basalt Creek Parks and Recreation Plan demonstrates the need to preserve natural areas and provide active recreation to serve community members.

Staff will provide an update showing the progress of Basalt Creek parks, trails and natural areas.
