EXECUTIVE SUMMARY:

The Urban Areas Security Initiative (UASI) is a Department of Homeland Security grant program. It is intended to provide financial assistance for unique multi-discipline planning, organization, equipment, training, and exercise needs of high-threat, high-density Urban Areas, and to assist these areas in building and sustaining capabilities to prevent, protect against, mitigate, respond to, and recover from threats or acts of terrorism using the Whole Community approach.

The City of Portland, through the Portland Bureau of Emergency Management (PBEM), is the sub recipient of the 2022 UASI grant. The City of Tualatin will receive the funding through the Regional Disaster Preparedness Organization (RDPO), coordinated via Washington County.

The Tualatin Community Emergency Response Team (CERT) is a local, citizen-run organization of volunteer emergency workers who have received specific and standardized training in basic disaster response skills, and who agree to supplement existing emergency responders in the event of a major disaster. The City requested \$10,000 from the UASI grant to assist Tualatin CERT in purchasing a mobile response trailer, supplies, and equipment.

The City will receive grant funds to assist Tualatin CERT in purchasing a mobile response trailer.
