SUBJECT:
DHM Regional Tolling Survey Results

EXECUTIVE SUMMARY:

In February, DHM Research conducted a survey of Portland Metro region voters regarding tolling in the region. The survey was conducted to gauge public opinion about congestion and road quality in the Portland metro region, assess general awareness of tolling and its purpose, assess awareness and support of current ODOT tolling plans, and gauge interest in alternative methods to fund transportation.

DHM prepared a report for the cities of West Linn, Tualatin, and Wilsonville, and the United Food & Commercial Workers Local 555. Representatives from DHM will provide Council with an overview of the survey results.
