Staff recommends approval of the Certificate of Appropriateness to install a gazebo at the Brewery Park at Tumwater Falls.

2) Background:

The Olympia Tumwater Foundation is applying for a Certificate of Appropriateness to install a gazebo at the Brewery Park at Tumwater Falls. The gazebo will contain and protect interpretive signage and a donation kiosk for the foundation. The gazebo will be a wooden structure with a cedar shake roof.

The interpretive signage will improve public education on the history of the park, historic district, and the brewery. The donation kiosk will provide a safe and manageable way for the foundation to accept and track monetary contributions and prevent theft.
