Subject: Contract Approval for an Eight-Year Multifamily Tax Exemption for the Craft District Apartments (TUM-22-1393)

In 2014 the City Council adopted the Brewery District Plan. The Brewery District Plan recommended establishing a MFTE program to improve the financial viability of development in the District.

In 2017, the City Council adopted the Multifamily Housing Tax Exemption program to stimulate desired housing development within key areas of the City, such as the Brewery District and Capitol Boulevard Corridor.

The Multifamily Housing Tax Exemption program includes both an eight-year exemption for providing multifamily housing in the designated areas and a twelve-year exemption for development providing a minimum of 20% of units designated for low or moderate-income households.

In 2019, the City Council approved expanding the Twelve-Year Multifamily Housing Tax Exemption program to the Town Center and Littlerock Subarea to encourage the development of permanent affordable housing as part of its 2019 Housing Affordability Work Plan.

The City has received an application for the eight-year exemption program for the 95-unit Craft District Apartments multifamily development in the Brewery District Subarea (TUM-22-1393).

This memorandum discusses the requirements for the Multifamily Tax Exemption Program application for the 95-unit Craft District Apartments in the Brewery District Subarea.

Following the process in TMC 3.30, the Community Development Director has approved the Multifamily Tax Exemption Program application for the Craft District Apartments. To complete the Conditional Certificate approval process, the applicant must enter into a contract with City that is approved by City Council, under which the applicant agrees to complete the development as outlined in the contract.

The General Government Committee was briefed on the contract on November 9, 2022 and the City Council held a worksession on the contract on November 22, 2022.

MFTE Program Effect on Revenue

An approved MFTE is a shift in revenue from property tax. When the City Council sets the City's property tax levy, the City levies a total dollar amount that will be collected for City operations. When certain property owners get discounts, such as through the MFTE program, that cost is re-distributed to the other property owners in the City. No matter how many MFTE discounts the City provides, the City still collects the same amount of property tax dollars.

Approval Process

TMC 3.30 *Multifamily Housing Tax Exemptions* establishes the review and approval process for MFTE applications:

1. An applicant files a complete Conditional Certificate Application with the City.
2. City staff reviews the application.
3. If the application is complete and meets the requirements of TMC 3.30, the Community Development Director approves the Conditional Certificate.
4. To complete the Conditional Certificate approval process, the applicant must enter into a contract with City that is approved by City Council, under which the applicant agrees to complete the development as outlined in the contract.
5. An approved Conditional Certificate and contract are valid for three years from the date of approval.
6. Upon completion of the improvements agreed upon in the contract and issuance of a certificate of occupancy, the applicant then files a Final Certificate Application.
7. The complete Final Certificate Application is reviewed and approved by the Community Development Director.
8. The Community Development Director files a Final Certificate of Tax Exemption with the Thurston County Assessor.
