

TO: City Council
FROM: Bill Lindauer, Engineering Services Manager
DATE: December 6, 2022
SUBJECT: Schedule 74 Underground Conversion – Project Construction Agreement

1) Recommended Action:

Staff requests the City Council approve and authorize the Mayor to sign the Schedule 74 Underground Conversion – Project Construction Agreement, a construction agreement with Puget Sound Energy (PSE) to complete the utility undergrounding conversion for the I-5/Troster Road/Capitol Boulevard Reconfiguration Project.

2) Background:

As part of the project, all overhead utilities including power will be converted to underground systems. This Project Construction Agreement outlines the conditions, scope of work, and anticipated fees that will be required by both PSE and the City to complete this work.

3) Policy Support:

Pursue Targeted Community Development Opportunities – Implement the transformation of Capitol Boulevard

4) Alternatives:

- ☐ Do not authorize the Mayor to sign the Agreement and allow overhead power and utilities to remain overhead within the project limits.
-

5) Fiscal Notes:

The funds to complete the Schedule 74 Project Construction Agreement for this project will be from the Transportation CFP. Per the Agreement, the costs for this work will be split at 60% paid by PSE and 40% paid by the City. The current engineering construction cost estimate for the City portion of the work is \$301,901.19.
