2) Background:

On June 7, 2022, the City Council approved Resolution No. R2022-010, terminating the local emergency declaration related to COVID-19 effective July 1, 2022. This will allow City Hall to re-open five days a week and remove other restrictions related to the emergency declaration.

Staff proposes the Planning Commission discuss their preferences for future regular meetings (all in person, all remote, or hybrid), as well as identifying opportunities for future field trips/worksessions related to upcoming Planning Commission topics, as well as individual Planning Commissioner check in meetings with staff and the Planning Commission chair.
