3. PAYMENT

AWC shall pay to Grantee an amount not to exceed \$80,000 for the performance of all things necessary for or incidental to the performance of work as set forth in the ARTG Application and described in Attachment A. Grantee's compensation for services rendered shall be based on the completion of duties as outlined in the ARTG application, in Attachment A, in accordance with the following sections.

4. BILLING PROCEDURES AND PAYMENT

AWC will reimburse Grantee upon acceptance of services provided and receipt of properly completed invoices, which shall be submitted to the Representative for AWC not more often than monthly. Grantee will use the invoice form provided by AWC to request reimbursement.

A receipt must accompany any single expenses in the amount of \$50.00 or more in order to receive reimbursement.

If errors are found in the submitted invoice or supporting documents, AWC will notify the Grantee to make corrections in a timely manner, resubmit the invoice and/or supporting documentation as requested, and notify AWC.

Payment shall be considered timely if made by AWC within thirty (30) calendar days after receipt of properly completed invoices. Payment shall be sent to the address designated by the Grantee.

AWC may, in its sole discretion, terminate the Grant or withhold payments claimed by the Grantee for services rendered if the Grantee fails to satisfactorily comply with any term or condition of this Grant.

No payments in advance or in anticipation of services or supplies to be provided under this Grant shall be made by AWC.

Duplication of billed costs

When the project is completed, the Grantee must submit a final report and supporting documents needed to close out the project no later than July 31, 2027.

Upon expiration of the Contract, any claims for payment for costs due and payable under this Contract that are incurred prior to the expiration date must be submitted by the Grantee to AWC within thirty (30) calendar days after the Contract expiration date. AWC is under no obligation to pay any claims that are submitted 31 or more calendar days after the Contract expiration date ("Belated Claims"). AWC will pay Belated Claims at its sole discretion, and any such potential payment is contingent upon the availability of funds.

Any of the Grantee's agent(s) that will provide services under this Contract must be listed in Attachment D – Grantee Agent(s) and must provide proof of insurance per Section 7 of this Contract.

7. INSURANCE

- a. **Workers' compensation coverage.** The Grantee shall at all times comply with all applicable workers' compensation, occupational disease, and occupational health and safety laws, statutes, and regulations to the fullest extent applicable. This requirement includes the purchase of industrial insurance coverage for the Grantee's employees, as may now hereafter be required of an "employer" as defined in Title 51 RCW. Such workers' compensation and occupational disease requirements shall include coverage for all employees of the Grantee, and for all employees of any subcontract retained by the Grantee, suffering bodily injury (including death) by accident or disease, which arises out of or in connection with the performance of this Grant. Satisfaction of these requirements shall include, but shall not be limited to:
 - i. Full participation in any required governmental occupational injury and/or disease insurance program, to the extent participation in such a program is mandatory in any jurisdiction;
 - ii. Purchase workers' compensation and occupational disease insurance benefits to employees in full compliance with all applicable laws, statutes, and regulations, but only to the extent such coverage is not provided under mandatory governmental program in "i" above, and/or;
 - iii. Maintenance of a legally permitted and governmentally approved program of self-insurance for workers' compensation and occupational disease.

Except to the extent prohibited by law, the program of the Grantee's compliance with workers' compensation and occupational disease laws, statutes, and regulations in i), ii), and iii) above shall provide for a full waiver of rights of subrogation against AWC, its directors, officers, and employees.

If the Grantee, or any agent retained by the Grantee, fails to effect and maintain a program of compliance with applicable workers' compensation and occupational disease laws, statutes, and regulations and AWC incurs fines or is required by law to provide benefits to such employees, or to obtain coverage for such employees, the Grantee will indemnify AWC for such fines, payment of benefits to Grantee or Grantee employees or their heirs or legal representatives, and/or the cost of effecting coverage on behalf of such employees. Any amount owed to AWC by the Grantee pursuant to the indemnity may be deducted from any payments owed by AWC to the Grantee for the performance of this Grant.

- b. **Automobile insurance.** In the event that services delivered pursuant to this Grant involve the use of vehicles, owned or operated by the Grantee, automobile liability insurance shall be required. The minimum limit for automobile liability is:

\$1,000,000 per accident, using a Combined Single Limit for bodily injury and property damage.

- c. **Business automobile insurance.** In the event that services performed under this Grant involve the use of vehicles or the transportation of clients, automobile liability insurance shall be required. If Grantee-owned personal vehicles are used, a Business Automobile policy covering a minimum Symbol 2 “owned autos only” must be secured. If the Grantee’s employees’ vehicles are used, the Grantee must also include under the Business Automobile policy Symbol 9, coverage for “non-owned autos.” The minimum limits for automobile liability is:

- d. **Public liability insurance (General liability).** The Grantee shall at all times during the term of this Grant, at its sole cost and expense, carry and maintain general public liability insurance, including contractual liability, against claims for bodily injury, personal injury, death, or property damage occurring or arising out of services provided under this Grant. This insurance shall cover such claims as may be caused by any act, omission, or negligence of the Grantee or its officers, agents, representatives, assigns or servants. The limits of liability insurance, which may be increased from time to time as deemed necessary by AWC, with the approval of the Grantee (which shall not be unreasonably withheld), shall not be less than as follows:
- | | |
|---------------------------------------|-------------|
| Each occurrence | \$1,000,000 |
| Products-completed operations limit | \$2,000,000 |
| Personal and advertising injury limit | \$1,000,000 |
| Fire damage limit (any one fire) | \$ 50,000 |
- e. **Local governments that participate in a self-insurance program.** Alternatively, Grantee may maintain a program of self-insurance or participate in a property/liability pool with adequate limits to comply with the Grant insurance requirements set forth above or as is customary to the contractor or Grantee’s business, operations/industry, and the performance of its respective obligations under this Grant.
- f. **Additional insured.** The Association of Washington Cities shall be specifically named as an additional insured on all policies, including Public Liability and Business Automobile, except for liability insurance on privately-owned vehicles, and all policies shall be primary to any other valid and collectible insurance.
- AWC may waive the requirement to be specially named as an additional insured on policies, including Public Liability and Business Automobile, provided that the Grantee provides: (1) a description of its self-insurance program, and (2) a certificate and/or letter of coverage that outlines coverage limits and deductibles. All self-insured risk management programs or self-insured/liability pools must comply with RCW 48.62, the requirements of the Office of Risk Management and Local Government Self Insurance Program, the Washington State Auditor’s reporting requirements and all related federal and state regulations. Grantees participating in a joint risk pool shall maintain sufficient documentation to support the aggregate claim liability information reported on the balance sheet. AWC, its agents, and employees need not be named as additional insured under a self-insured property/liability pool, if the pool is prohibited from naming third parties as additional insured.
- g. **Proof of insurance.** Certificates and or evidence satisfactory to the AWC confirming the existence, terms and conditions of all insurance required above shall be delivered to AWC within five (5) days of the Grantee’s receipt of Authorization to Proceed.
- h. **General insurance requirements.** Grantee shall, at all times during the term of the Grant and at its sole cost and expense, buy and maintain insurance of the types and amounts listed above. Failure to buy and maintain the required insurance may result in the termination of the Grant at AWC’s option. By requiring insurance herein, AWC does not represent that coverage and limits will be adequate to protect Grantee and such coverage and limits shall not limit Grantee’s liability under the indemnities and reimbursements granted to AWC in this Grant.

Grantee shall include all agents of the Grantee as insureds under all required insurance policies, or shall furnish proof of insurance and endorsements for each agent. Agent(s) must comply fully with all insurance requirements stated herein. Failure of agent(s) to comply with insurance requirements does not limit Grantee's liability or responsibility.

The Grantee shall notify AWC immediately of any allegations, claims, disputes, or challenges made against it under non-discrimination laws, regulations, or policies, or under the Americans with Disabilities Act. In the event of the Grantee's noncompliance or refusal to comply with this nondiscrimination provision, this Grant may be rescinded, cancelled or terminated in whole or part, and the Grantee may be declared ineligible for further contracts with AWC.

- 22. Overpayments.** Grantee shall refund to AWC the full amount of any overpayment under this Grant within thirty (30) calendar days of written notice. If Grantee fails to make a prompt refund, AWC may charge Grantee one percent (1%) per month on the amount due until paid in full.
- 23. Public disclosure.** Grantee acknowledges that AWC is subject to the Washington State Public Records Act, Chapter 42.56 RCW, and AWC acknowledges that the Grantee is subject to the Washington State Public Records Act, Chapter 42.56 RCW, and that this Grant shall be a public record as defined in RCW 42.56. Any specific information that is claimed by either party to be confidential or proprietary must be clearly identified as such by that party. To the extent consistent with chapter 42.56 RCW, each party shall attempt reasonably to maintain the confidentiality of all such information marked confidential or proprietary. If a request is made to view such information, the party receiving the public records request will notify the other party of the request and the date that such records will be released to the requester unless the other party obtains a court order enjoining that disclosure. If such party fails to obtain the court order enjoining disclosure, the party receiving the records request will release the requested information on the date specified.
- 24. Publicity.** The Grantee agrees to submit to AWC all advertising and publicity matters relating to this Grant which in the AWC's judgment, AWC's name can be implied or is specifically mentioned. The Grantee agrees not to publish or use such advertising and publicity matters without the prior written consent of AWC.

Grantee shall retain such records for a period of six years following the date of final payment. At no additional cost, these records, including materials generated under the Grant, shall be subject at all reasonable times to inspection, review or audit by the AWC, personnel duly authorized by AWC, the Office of the State Auditor, and federal and state officials so authorized by law, regulation or agreement.
- If any litigation, claim or audit is started before the expiration of the six (6) year period, the records shall be retained until all litigation, claims, or audit findings involving the records have been resolved.
- 27. Right of inspection.** The Grantee shall provide right of access to its facilities utilized under this Grant to AWC or any of its officers responsible for executing the terms of this Grant at all reasonable times, in order to monitor and evaluate performance, compliance, and/or quality assurance under this Grant on behalf of AWC. All inspections and evaluations shall be performed in such a manner that will not unduly interfere with the Grantee's business or work hereunder.
- 28. Severability.** The provisions of this Contract are intended to be severable. If any term or provision is illegal or invalid for any reason whatsoever, such illegality or invalidity shall not affect the validity of the remainder of the Contract.
- 29. Subcontracting.** Neither the Grantee nor any agent of the Grantee shall enter into subcontracts for any of the work contemplated under this Grant without obtaining prior written approval of AWC. Grantee is responsible to ensure that all terms, conditions, assurances and certifications set forth in this Grant are included in any and all Subcontracts. In no event shall the existence of the subcontract operate to release or reduce liability of the Grantee to the AWC for any breach in the performance of the Grantee's duties. This clause does not include contracts of employment between the Grantee and personnel assigned to work under this Grant.

If, at any time during the progress of the work, AWC determines in its sole judgment that any agent of the Grantee is incompetent, AWC shall notify the Grantee, and the Grantee shall take immediate steps to terminate the agent's involvement in the work. The rejection or approval by AWC of any agent or the termination of an agent shall not relieve the Grantee of any of its responsibilities under the Grant, nor be the basis for additional charges to AWC.

- 30. Taxes.** All payments accrued on account of payroll taxes, unemployment contributions, any other taxes, insurance or other expenses for the Grantee or its staff shall be the sole responsibility of the Grantee.
- 31. Technology security requirements.** Grantee must ensure that all data and devices used to carry out Program follow all applicable state and federal data privacy and protection requirements. Grantee must ensure that data is properly secured and protected using best practices for security and protection from outside intrusion from parties not associated with the Program.
- 32. Termination for convenience.** Except as otherwise provided in this Grant, AWC may, by ten (10) days written notice, beginning on the second day after the mailing of such notice, terminate this Grant in whole or in part. The notice shall specify the date of termination and shall be conclusively deemed to have been delivered to and received by the Grantee as of midnight the second day of mailing in the absence of proof of actual delivery to and receipt by the Grantee. If this Grant is so terminated, AWC shall be liable only for payment required under the terms of the Grant for services rendered or goods delivered prior to the effective date of termination.
- 33. Termination for default.** In the event AWC determines the Grantee has failed to comply with the conditions of this Grant in a timely manner, AWC has the right to suspend or terminate this Grant. AWC shall notify the Grantee in writing of the need to take corrective action. If corrective action is not taken within thirty (30) days, the Grant may be terminated. AWC reserves the right to suspend all or part of the Grant, withhold further payments, or prohibit the Grantee from incurring additional obligations of funds during investigation of the alleged compliance breach and pending corrective action by the Grantee or a decision by AWC to terminate the Contract. In the event of termination, the Grantee shall be liable for damages as authorized by law including, but not limited to, any cost difference between the original Grant and the replacement or cover Grant and all administrative costs directly related to the replacement Grant, e.g., cost of the competitive bidding, mailing, advertising and staff time. The termination shall be deemed to be a "Termination for Convenience" if it is determined that the Grantee: (1) was not in default; or (2) failure to perform was outside of his or her control, fault or negligence. The rights and remedies of the AWC provided in this Grant are not exclusive and are in addition to any other rights and remedies provided by law.
- 34. Termination due to funding limitations or contract renegotiation, suspension.** In the event funding from state, federal, or other sources is withdrawn, reduced, or limited in any way after the effective date of this Grant and prior to normal completion of this Grant, with the notice specified below and without liability for damages:
- a. At AWC's discretion, AWC may give written notice of intent to renegotiate the Grant under the revised funding conditions.
 - b. At AWC's discretion, AWC may give written notice to Grantee to suspend performance when AWC determines there is reasonable likelihood that the funding insufficiency may be resolved in a timeframe that would allow Grantee's performance to be resumed.
 - (1) During the period of suspension of performance, each party will inform the other of any conditions that may reasonably affect the potential for resumption of performance.
 - (2) When AWC determines that the funding insufficiency is resolved, it will give the Grantee written notice to resume performance, and Grantee shall resume performance.
 - (3) Upon the receipt of notice under b. (2), if Grantee is unable to resume performance of this Grant or if the Grantee's proposed resumption date is not acceptable to AWC and an acceptable date cannot be negotiated, AWC may terminate the Grant by giving written notice to the Grantee. The parties agree that the Grant will be terminated retroactive to the date of the notice of suspension. AWC

shall be liable only for payment in accordance with the terms of this Grant for services rendered prior to the retroactive date of termination.

- c. AWC may immediately terminate this Grant by providing written notice to the Grantee. The termination shall be effective on the date specified in the termination notice. AWC shall be liable only for payment in accordance with the terms of this Grant for services rendered prior to the effective date of termination. No penalty shall accrue to AWC in the event the termination option in this section is exercised.
- d. For purposes of this section, "written notice" may include email.

35. Termination procedure. Upon termination of this Grant the AWC, in addition to other rights provided in this Grant, may require the Grantee to deliver to AWC any property specifically produced or acquired for the performance of such part of this Contract as has been terminated. The provisions of the "Treatment of Assets" clause shall apply in such property transfer.

SCOPE OF WORK

The City of Tumwater Fire Department has partnered with The Olympia Fire Department Community Assistance Referral and Education Services (OFD CARES) program to create the TFD CARES program. This is a service that focuses on bridging the gap between formal and informal healthcare systems, assessing social well-being, physical health, and chronic illness to mitigate ongoing concerns and frequent 911 usage. FD CARES supports the needs of the cities of Olympia and Tumwater by providing short-term case management services and tailored treatment planning that meets individual needs. Through compassionate and professional care, the CARES team is dedicated to elevating assistance and education services in a way that meets people where they are and guides them towards where they hope to be.

Goals of the program include:

- Support a healthier community and reduce reliance on the 911 system and local emergency departments for non-acute concerns, through advocacy, assistance, education, and mobile-integrated health care to the Cities of Tumwater and Olympia.
- Locate and engage populations that may not be aware of service availability in their communities such as senior housing, senior centers, income-based housing complexes, or family and friends of current enrolled clients.
- Mitigate injuries and reduce emergency room visits by offering tangible support related to safety risks within homes, facilities, and businesses
- Screen referrals from the Fire Department personnel, partners in the community, or self-referred individuals as a starting point for engagement and participation in the CARES program
- Remain connected with individuals until they can be connected to two or more community partners or service providers and complete a follow-up 30-days post CARES engagement to ensure no new needs have developed.
