

TO: Tree Board
FROM: Brad Medrud, Planning Manager
DATE: September 12, 2022
SUBJECT: Tree Board Development Field Trip

1) Recommended Action:

Field Trip.

2) Background:

Following the completion of the Urban Forestry Management Plan in 2021, the Tree Board discussed a training program for the Board at their March 14, 2022 and April 11, 2022 meetings. One continuing education component of the training program was the City's development review process. At the July 11, 2022 their meeting, the Tree Board focused on understanding the structure of the City's development review process.

The next step is applying this information to specific development review projects through a field trip on Wednesday, September 22 from 6:00 p.m. to 8 p.m.

City staff will be providing a van to allow all the members of the Tree Board and staff to go to each site together. If Tree Board member want to drive separately, a field trip itinerary is provided in the memorandum.

3) Alternatives:

None.
