***TO LOCAL POLITICAL SUBDIVISIONS AND SPECIAL DISTRICTS:***

**YOU MUST TAKE ACTION IN ORDER TO PARTICIPATE IN FIVE NEW OPIOID SETTLEMENTS**

***Deadline: April 18, 2023***

Five new proposed national opioid settlements ("*Settlements*") have been reached with Teva, Allergan, CVS, Walgreens, and Walmart ("*Settling Defendants*"). These new Settlements are in addition to the prior settlement with the opioid distributors, and you will need to sign new settlement documents to join.

The Washington Attorney General's Office strongly encourages you to join these new Settlements. As with the opioid distributor settlement, half of the Washington share of the settlement proceeds will be directed to Washington local governments for you to make decisions on how to remediate the opioid crisis in your communities.

The Settlements are contingent on a very high percentage of Washington cities and counties joining the Settlements. If you do not join, the Settlements may not be finalized. Even if enough cities and counties join so that the Settlements are finalized, your refusal to join would still substantially lessen the amount Washington receives. The deadline for joining the Settlements by signing the required documents is Tuesday, April 18, 2023.

**How to join the settlements**

In the electronic envelope attached to this email, you will find the documents that your local government needs to execute. Please sign these documents and return them to the Implementation Manager:

- *Participation Forms* for the (1) Teva, (2) Allergan, (3) CVS, (4) Walgreens, and (5) Walmart settlements, which include a release of any claims. To join the Settlements, you need to sign and submit each of these Participation Forms.
- *Allocation Agreement II*. This is an agreement between the State and Washington local governments to split the settlement proceeds for these five Settlements, with 50% going to the State and 50% going to the local governments. The local government share then will be split based on the One Washington Memorandum of Understanding, which is attached to the Allocation Agreement II.

You can return the executed *Participation Forms* and *Allocation Agreement II* to the Implementation Administrator in one of the following ways:

- (1) *Electronic Signature via DocuSign*: Executing the *Participation Forms* and *Allocation Agreement II* electronically through DocuSign will return the signed forms to the Implementation Administrator and associate your forms with your subdivision's records. Electronic signature is the most efficient method for returning the documents and is strongly encouraged.
- (2) *Manual Signature returned via DocuSign*: DocuSign allows forms to be downloaded, signed manually, then uploaded to DocuSign and returned automatically to the Implementation Administrator. Please be sure to complete all fields.
- (3) *Manual Signature returned via electronic mail*: If your subdivision is unable to use DocuSign, the signed *Participation Forms* and *Allocation Agreement II* may be returned via electronic mail to [opioidsparticipation@rubris.com](mailto:opioidsparticipation@rubris.com). Please include the name, state, and reference ID of your subdivision in the body of the email and use the subject line Settlement Participation Forms – [Subdivision Name, Subdivision State] – [Reference ID].

Detailed instructions on how to sign and return the *Participation Forms*, including changing the authorized signer, can be found at <https://nationalopioidsettlement.com>. You may also contact [opioidsparticipation@rubris.com](mailto:opioidsparticipation@rubris.com).

The *Participation Form* for each settlement must be executed, without alteration, and submitted on or before **April 18, 2023**, in order for your subdivision to be considered for initial participation calculations and payment eligibility.

### **How to learn more about these settlements**

This AGO press release has information on the five new Settlements and estimates of Washington's settlement share if the settlements are finalized, all eligible Washington local governments join, and all conditions are met:

<https://www.atg.wa.gov/news/news-releases/ag-ferguson-files-lawsuits-against-three-national-pharmacy-chains-their-role>.

Additionally, the AGO is coordinating with WSAC and AWC to host informational meetings about the settlements in February 2023, and more information on those meetings will follow.

You also may wish to consult with your own legal counsel.

If you have questions about this communication or the settlements, please contact Jeff Rupert, the Division Chief for the AGO's Complex Litigation Division, at 206-389-2116 or [Jeffrey.Rupert@atg.wa.gov](mailto:Jeffrey.Rupert@atg.wa.gov). The AGO will be monitoring the sign-on progress and encouraging all eligible local governments in Washington to join.

Information and documents regarding the *New National Opioid Settlements* can be found on the national settlement website at <https://nationalopioidsettlement.com/>.

**What are the next steps after the April 18, 2023 deadline?**

Based upon subdivision participation forms received on or before April 18<sup>th</sup>, the subdivision participation rate will be used to determine whether participation for each deal is sufficient for the settlement to move forward and whether a state earns its maximum potential payment under the settlement. If the settlement moves forward, your release will become effective. If a settlement does not move forward, that release will not become effective.

Any subdivision that does not participate cannot directly share in the settlement funds, even if the subdivision's state is settling and other participating subdivisions are sharing in settlement funds. Any subdivision that does not participate may also reduce the amount of money for programs to remediate the opioid crisis in its state. Please note, a subdivision will not necessarily directly receive settlement funds by participating; decisions on how settlement funds will be allocated within a state are subject to intrastate agreements or state statutes.

If the Settlements are finalized, the payment terms and payment schedule for the settlement proceeds is specified in each Settlement.

**The sign-on period for subdivisions ends on April 18, 2023.**

Thank you,

National Opioids Settlements Implementation Administrator

*The Implementation Administrator is retained to provide the settlement notice required by the respective settlement agreements referenced above and to manage the collection of settlement participation forms for each settlement.*

**WASHINGTON STATE ALLOCATION AGREEMENT GOVERNING THE  
ALLOCATION OF FUNDS PAID BY CERTAIN SETTling OPIOID  
MANUFACTURERS AND PHARMACIES**

**JANUARY 27, 2023**

This Washington State Allocation Agreement Governing the Allocation of Funds Paid by Certain Settling Opioid Manufacturers and Pharmacies (the “Allocation Agreement II”) governs the distribution of funds obtained from (1) Walmart, (2) Teva, (3) Allergan, (4) CVS, and (5) Walgreens (the “Settling Entities”) in connection with the resolution of any and all claims by the State of Washington and the counties, cities, and towns in Washington State (“Local Governments”) against the Settling Entities via the following settlements:

- Walmart Settlement Agreement dated November 12, 2022 and any subsequent amendments (“Walmart Settlement”).
- Teva Public Global Settlement Agreement dated November 22, 2022 and any subsequent amendments (“Teva Settlement”).
- Allergan Public Global Settlement Agreement dated November 22, 2022 and any subsequent amendments (“Allergan Settlement”).
- CVS Settlement Agreement dated December 9, 2022 and any subsequent amendments (“CVS Settlement”).
- Walgreens Settlement Agreement dated December 9, 2022 and any subsequent amendments (“Walgreens Settlement”).

Collectively, the Walmart Settlement, the Teva Settlement, the Allergan Settlement, the CVS Settlement, and the Walgreens Settlement shall be referred to as “the Settlements”. Each of the Settlements can be accessed at <https://nationalopioidsettlement.com/>. The terms and definitions of each of the respective Settlement are incorporated into this Allocation Agreement II, and any undefined terms in this Allocation Agreement II are as defined in the Settlements.

1. This Allocation Agreement II is intended to be a State-Subdivision Agreement as defined in the Settlements. This Allocation Agreement II shall be interpreted to be consistent with the requirements of a State-Subdivision Agreement in the Settlements.
2. This Allocation Agreement II shall become effective only if all of the following occur:
  - A. The State of Washington joins one of the Settlements and becomes a Settling State as provided for in the respective Settlement.
  - B. One of the Settlements becomes final and effective and a Consent Judgment is filed and approved as provided for in the respective Settlement.

- C. The number of Local Governments that execute and return this Allocation Agreement II satisfies the participation requirements for a State-Subdivision Agreement as specified in one of the Settlements, Washington is a Settling State for that Settlement, and a Consent Judgment has been filed and approved for that Settlement.
3. Requirements to become a Participating Local Government. To become a Participating Local Government that can participate in this Allocation Agreement II with respect to any one of the Settlements, a Local Government must do all of the following:
- A. The Local Government must execute and return this Allocation Agreement II.
  - B. The Local Government must release its claims against the Settling Entities identified in the respective Settlement and agree to be bound by the terms of the Settlement by timely executing and returning the Participation Form for that Settlement. The forms are attached hereto as Exhibits 1-5.
  - C. Litigating Subdivisions, also referred to as Litigating Local Governments, must dismiss the Settling Entities identified in the respective Settlement with prejudice from their lawsuits.
  - D. Each of the Local Governments that is eligible to participate in this Allocation Agreement II has previously executed and signed the One Washington Memorandum of Understanding Between Washington Municipalities (“MOU”) agreed to by the Participating Local Governments in Washington State, which is attached hereto as Exhibit 6. By executing this Allocation Agreement II, the local government agrees and affirms that the MOU applies to and shall govern the Local Government Share as modified by this Allocation Agreement II for each of the Settlements in which the Local Government participates.
- A Local Government that meets all of the conditions in this paragraph for any of the Settlements shall be deemed a “Participating Local Government” for that Settlement. A Local Government can be a “Participating Local Government” for less than all of the Settlements. If a Local Government is a Participating Local Government for less than all of the Settlements, the Local Government can only receive a portion of the Washington Abatement Amount for the specific Settlement(s) for which it is a Participating Local Government.
4. This Allocation Agreement II applies to the following, all of which collectively shall be referred to as the “Washington Abatement Amount”:
- A. For the Walmart Settlement, the State of Washington’s allocation of the (1) Global Settlement Remediation Amount and (2) Additional Remediation Amount.

- B. For the Teva Settlement, the State of Washington's allocation of the (1) Net Abatement Amount and (2) Additional Restitution Amount.
- C. For the Allergan Settlement, the State of Washington's allocation of the (1) Global Settlement Abatement Amount and (2) Additional Restitution Amount.
- D. For the CVS Settlement, the State of Washington's allocation of the (1) Maximum Remediation Payment and (2) Additional Remediation Amount.
- E. For the Walgreens Settlement, the State of Washington's allocation of the (1) Adjusted State Remediation Payment and (2) Additional Remediation Amount.

As specified in each of the Settlements, the Washington Abatement Amount will vary dependent on the percentage of Participating Local Governments and whether there are any Later Litigating Subdivisions.

- 5. The Teva Settlement provides the option for Settling States to obtain Settlement Product or the discretion to convert any portion of the Settlement Product allocated to the Settling State into a cash value equaling twenty percent (20%) of the WAC value of the Settling State's allocated Settlement Product in specified years. It shall be solely the decision of the State regarding whether to convert any portion of the Settlement Product allocated to Washington into a cash value or to obtain the Settlement Product. If the State elects to obtain Settlement Product, the State in its sole discretion shall make all decisions related to the Settlement Product, including but not limited to where, how, and to whom it shall be distributed. For purposes of calculating the division of the Washington Abatement Amount in Paragraph 10 of this Allocation Agreement II, the Settlement Product allocated to Washington shall be considered "State Share" and shall have the cash value assigned to it in the Teva Public Global Settlement Agreement dated November 22, 2022.
- 6. This Allocation Agreement II does not apply to the State Cost Fund, State AG Fees and Costs, or any attorneys' fees, fees, costs, or expenses referred to in the Settlement or that are paid directly or indirectly via the Settlements to the State of Washington ("State's Fees and Costs").

7. This Allocation Agreement II and the MOU are a State Back-Stop Agreement. The Settling Entities are paying a portion of the Local Governments' attorneys' fees and costs as provided for in the Settlements. The total contingent fees an attorney receives from the Contingency Fee Fund in the Settlements, the MOU, and this Allocation Agreement II combined cannot exceed 15% of the portion of the LG Share paid to the Litigating Local Government that retained that firm to litigate against the Settling Entities (i.e., if City X filed suit with outside counsel on a contingency fee contract and City X receives \$1,000,000 from the Walmart Settlement, then the maximum that the firm can receive is \$150,000 for fees as to the Walmart Settlement; if City X did not retain the same firm for potential litigation against CVS and City X receives \$1,000,000 from the CVS Settlement, then the firm receives no fees from the CVS Settlement.)
8. No portion of the State's Fees and Costs and/or the State Share as defined in Paragraphs 6 and 10 of this Allocation Agreement II shall be used to fund the Government Fee Fund ("GFF") referred to in Paragraph 12 of this Allocation Agreement II and Section D of the MOU, or in any other way to fund any Participating Local Government's attorneys' fees, costs, or common benefit tax.
9. The Washington Abatement Amount shall and must be used by the State and Participating Local Governments for future Opioid Remediation as defined in the Settlements, except as allowed by the Settlements.
10. The State and the Participating Local Governments agree to divide the Washington Abatement Amount as follows:
  - A. Fifty percent (50%) to the State of Washington ("State Share").
  - B. Fifty percent (50%) to the Participating Local Governments ("LG Share").
11. The LG Share shall be distributed to Participating Local Governments pursuant to the MOU attached hereto as Exhibit 6 as amended and modified in this Allocation Agreement II.
12. For purposes of this Allocation Agreement II only, the MOU is modified as follows and any contrary provisions in the MOU are struck:
  - A. Exhibit A of the MOU is replaced by Exhibit E of each of the respective Settlements.
  - B. The definition of "Litigating Local Governments" in Section A.4 of the MOU shall mean Litigating Subdivisions as defined in each the respective Settlements.
  - C. The definition of "National Settlement Agreement" in Section A.6 of the MOU shall mean the Settlements.
  - D. The definition of "Settlement" in Section A.14 of the MOU shall mean

the Settlements.

- E. The MOU is amended to add new Section C.4.g.vii, which provides as follows:
- “If a Participating Local Government receiving a direct payment (a) uses Opioid Funds other than as provided for in the respective Settlements, (b) does not comply with conditions for receiving direct payments under the MOU, or (c) does not promptly submit necessary reporting and compliance information to its Regional Opioid Abatement Counsel (“Regional OAC”) as defined at Section C.4.h of the MOU, then the Regional OAC may suspend direct payments to the Participating Local Government after notice, an opportunity to cure, and sufficient due process. If direct payments to Participating Local Government are suspended, the payments shall be treated as if the Participating Local Government is foregoing their allocation of Opioid Funds pursuant to Section C.4.d and C.4.j.iii of the MOU. In the event of a suspension, the Regional OAC shall give prompt notice to the suspended Participating Local Government and the Settlement Fund Administrator specifying the reasons for the suspension, the process for reinstatement, the factors that will be considered for reinstatement, and the due process that will be provided. A suspended Participating Local Government may apply to the Regional OAC to be reinstated for direct payments no earlier than five years after the date of suspension.”
- F. The amounts payable to each law firm representing a Litigating Local Government from the GFF shall be consistent with the process set forth in the *Order Appointing the Fee Panel to Allocate and Disburse Attorney’s Fees Provided for in State Back-Stop Agreements*, Case No. 1:17-md- 02804-DAP Doc #: 4543 (June 17, 2022). JoJo Tann (the “GFF Administrator”), who is authorized by the MDL Fee Panel (David R. Cohen, Randi S. Ellis and Hon. David R. Herndon (ret.)) to calculate the amounts due to eligible counsel from each State Back-Stop fund (i.e., the GFF) (*see id.* at p. 4), will oversee and confirm the amounts payable to each law firm representing a Litigating Local Government from the GFF. Upon written agreement between the law firms representing the Litigating Local Governments on the one hand and the Washington Attorney General’s Office on the other, in consultation with the Washington State Association of Counties and the Association of Washington Cities, the GFF Administrator may be replaced by another person, firm, or entity.
- G. The GFF set forth in the MOU shall be funded by the LG Share of the Washington Abatement Amount only. To the extent the common benefit tax is not already payable by the Settling Entities as contemplated by Section D.8 of the MOU, the GFF shall be used to pay Litigating Local Government contingency fee agreements and any common benefit tax referred to in Section D of the MOU, which shall

be paid on a pro rata basis to eligible law firms as determined by the GFF Administrator.

- H. To fund the GFF, fifteen percent (15%) of the LG Share shall be deposited in the GFF from each LG Share settlement payment until the Litigating Subdivisions' contingency fee agreements and common benefit tax (if any) referred to in Section D of the MOU are satisfied. Under no circumstances will any Primary Subdivision or Litigating Local Government be required to contribute to the GFF more than 15% of the portion of the LG Share allocated to such Primary Subdivision or Litigating Local Government. In addition, under no circumstances will any portion of the LG Share allocated to a Litigating Local Government be used to pay the contingency fees or litigation expenses of counsel for some other Litigating Local Government.
- I. The maximum amount of any Litigating Local Government contingency fee agreement (from the Contingency Fee Fund of the respective Settlements) payable to a law firm permitted for compensation shall be fifteen percent (15%) of the portion of the LG Share paid to the Litigating Local Government that retained that firm (i.e., if City X filed suit with outside counsel on a contingency fee contract and City X receives \$1,000,000 from the Walmart Settlement, then the maximum that the firm can receive is \$150,000 for fees.) The firms also shall be paid documented expenses due under their contingency fee agreements that have been paid by the law firm attributable to that Litigating Local Government. Consistent with Agreement on Attorneys' Fees, Costs, and Expenses, which is Exhibit R of the Settlements, amounts due to Participating Litigating Subdivisions' attorneys under this Allocation Agreement II shall not impact (i) costs paid by the subdivisions to their attorneys pursuant to a State Back-Stop agreement, (ii) fees paid to subdivision attorneys from the Common Benefit Fund for common benefit work performed by the attorneys pursuant to Exhibit R of the Settlements, or (iii) costs paid to subdivision attorneys from the MDL Expense Fund for expenses incurred by the attorneys pursuant to the Settlements.
- J. Under no circumstances may counsel receive more for its work on behalf of a Litigating Local Government than it would under its contingency agreement with that Litigating Local Government. To the extent a law firm was retained by a Litigating Local Government on a contingency fee agreement that provides for compensation at a rate that is less than fifteen percent (15%) of that Litigating Local Government's recovery, the maximum amount payable to that law firm referred to in Section D.3 of the MOU shall be the percentage set forth in that contingency fee agreement.
- K. For the avoidance of doubt, both payments from the GFF and the payment to the Participating Litigating Local Governments' attorneys from the Contingency Fee Fund in the respective Settlements shall be included when calculating whether the aforementioned fifteen percent

(15%) maximum percentage (or less if the provisions of Paragraph 10.J of this Allocation Agreement II apply) of any Litigating Local Government contingency fee agreement referred to above has been met.

- L. To the extent there are any excess funds in the GFF, the GFF Administrator and the Settlement Administrator shall facilitate the return of those funds to the Participating Local Governments as provided for in Section D.6 of the MOU.
13. In connection with the execution and administration of this Allocation Agreement II, the State and the Participating Local Governments agree to abide by the Public Records Act, RCW 42.56 *et seq.*
  14. All Participating Local Governments, Regional OACs, and the State shall maintain all non-transitory records related to this Allocation Agreement II as well as the receipt and expenditure of the funds from the Settlements for no less than five (5) years.
  15. If any party to this Allocation Agreement II believes that a Participating Local Government, Regional OAC, the State, an entity, or individual involved in the receipt, distribution, or administration of the funds from the Settlements has violated any applicable ethics codes or rules, a complaint shall be lodged with the appropriate forum for handling such matters, with a copy of the complaint promptly sent to the Washington Attorney General, Complex Litigation Division, Division Chief, 800 Fifth Avenue, Suite 2000, Seattle, Washington 98104.
  16. To the extent (i) a region utilizes a pre-existing regional body to establish its Opioid Abatement Council pursuant to the Section 4.h of the MOU, and (ii) that pre-existing regional body is subject to the requirements of the Community Behavioral Health Services Act, RCW 71.24 *et seq.*, the State and the Participating Local Governments agree that the Opioid Funds paid by the Settling Entities are subject to the requirements of the MOU and this Allocation Agreement II.
  17. Upon request by any of the Settling Entities, the Participating Local Governments must comply with the Tax Cooperation and Reporting provisions of the respective Settlement.
  18. Venue for any legal action related to this Allocation Agreement II (separate and apart from the MOU or the Settlements) shall be in King County, Washington.
  19. Each party represents that all procedures necessary to authorize such party's execution of this Allocation Agreement II have been performed and that such person signing for such party has been authorized to execute this Allocation Agreement II.

A Releasor may hereafter discover facts other than or different from those which it knows, believes, or assumes to be true with respect to the Released Claims, but each Governmental Entity hereby expressly waives and fully, finally, and forever settles, releases and discharges, upon the Effective Date, any and all Released Claims that may exist as of such date but which Releasors do not know or suspect to exist, whether through ignorance, oversight, error, negligence or through no fault whatsoever, and which, if known, would materially affect the Governmental Entities' decision to participate in the Walgreens Settlement.
