2) Background:

After the City Council adopted Resolution No. R2018-016 in the summer of 2018, the City has undertaken a number of actions to address homelessness, increase affordable housing, and continue to work with other jurisdictions and agencies to explore regional solutions to these issues. In September 2021, the City Council adopted the Tumwater Housing Action Plan, which informs the City's Comprehensive Plan policies and development regulations and guides implementation strategies to help the City meet its housing needs.

The General Government Committee has requested information about the City's efforts to preserving existing manufactured home parks. The intent of this item is to provide that information and put it into the context of the City's broader efforts to create and preserve affordable housing in the City. In addition, this information will be useful background for the update of the Housing Element in the City's Comprehensive Plan in 2024-25.

A memorandum and presentation discussing the City's efforts to preserving existing manufactured home parks are part of Multifamily Property Tax Exemption Packet for the General Government Committee's June 14, 2023 meeting.
