SUBJECT: Discussion – Heritage Tree Nomination at 5800 Littlerock Road

1) Recommended Action:

Discussion item for Tree Board and then recommendation to City Council.

2) Background:

After the City Council adopted the Urban Forestry Management Plan on March 2, 2021 by Ordinance No. 2020-004, the Tree Board began a discussion at their April 12, 2021 meeting of the actions that are the Tree Board's primary responsibility in implementing the Plan; among those actions are those that address heritage trees.

On February 28, 2023 Tumwater resident and Tree Board member Jim Sedore nominated a Garry Oak (also known as Oregon White Oak) at 5800 Littlerock Road. This nominated tree is located on City-owned right-of-way. The Transportation & Engineering Director Brandon Hicks provided consent to the nomination. This nominated tree was assessed by the City's Tree Professional on March 15, 2023. This application is now submitted for consideration by the Tree Board and then a recommendation to the City Council for final action.
