

Darktrace Products and Services Overview

Powered by Self-Learning AI, Darktrace learns normal 'patterns of life' to protect against unknown and unpredictable cyber-threats. More than 5,000 organizations worldwide rely on Darktrace to illuminate and interrupt the full range of cyber-threats, from novel attacks to insider threats.

Self-Learning AI

Self-Learning AI represents a fundamental departure from traditional cyber security solutions that rely on historical attack data to predict the next threat. Instead, the technology understands your organization from the ground up, learning on the job what is 'normal' for everyone and everything in your business.

Darktrace brings its Self-Learning AI to your data, wherever it resides, including cloud, SaaS, and email platforms, as well as IoT, endpoints, and cyber-physical systems.

Like the human immune system, Darktrace's ability to distinguish between malicious and benign behavior – without prior knowledge – enables it to identify cyber-attacks that would otherwise go unnoticed and unchecked.

With Autonomous Response, Darktrace AI uses its bespoke knowledge of the organization to interrupt fast-moving attacks with surgical precision, while Cyber AI Analyst automates the threat investigation process and reports on the full scope of security incidents.

DARKTRACE MASTER CUSTOMER AGREEMENT

IMPORTANT - READ CAREFULLY:

Please read the following legally binding Darktrace Master Customer Agreement ("Agreement") between Darktrace Limited ("Darktrace") and the person or entity that has been granted rights under this Agreement ("Customer") carefully. THIS AGREEMENT WILL APPLY TO ANY QUOTE, PRODUCT ORDER FORM, ORDER ACKNOWLEDGEMENT, AND INVOICE, AND ANY SALE, LICENCE, OR DELIVERY OF ANY APPLIANCES OR SERVICES BY DARKTRACE. By selecting the 'accept' option, installing or otherwise accessing or using the Offering (as defined herein), Customer acknowledges that Customer has read, understands and agrees to be bound by the terms and conditions of this Agreement. Where a reseller, service provider, consultant, contractor or other permitted third party downloads, installs or otherwise uses the Appliance on Customer's behalf, such party will be deemed to be Customer's agent and Customer will be deemed to have accepted all of the terms and conditions of this Agreement as if Customer had directly downloaded, installed or used the Appliance.

If Customer does not agree with the terms and conditions of this Agreement, Customer is not authorised to install the Appliance or otherwise use the Offering for any purpose whatsoever. If Customer returns the unused Appliance and all accompanying items in their original condition and packaging within twenty-one (21) calendar days of delivery by Darktrace, together with proof of purchase, Customer may receive a full refund of any Fees paid.

Darktrace and Customer may be collectively referred to as the "Parties" or individually as a "Party".

RECITALS

Whereas, Darktrace is the supplier of the Offering that is more fully described in the applicable quotation, ordering document, or commercial terms schedule provided by Darktrace or its authorised reseller, as applicable, and accepted by Darktrace, which identifies the Appliances and any Services ordered by Customer from Darktrace or its authorised reseller, as applicable, the term, the respective quantities, the applicable fees, together with any other specifications or requirements and any other restrictions (if any) ("Product Order Form").

Whereas, Customer is interested in using the Offering for its internal use and Darktrace has agreed to Customer's use of the Offering on the terms of this Agreement.

Now therefore, in consideration of the mutual covenants and the payment of Fees described herein, the Parties agree as follows:

1. DEFINITIONS

Certain capitalised terms used but not defined herein are as set forth in Appendix 1 to this Agreement.

2. EVALUATIONS AND BETA TESTING

The following terms in this Clause 2 apply to a Darktrace proof of value or technical preview of the Offering.

- 2.1. If Darktrace permits Customer to conduct a proof of value of any commercially-available Offering (the "Evaluation"), Customer shall be granted a non-exclusive, non-transferable, non-sublicensable licence to use the Offering free of charge for evaluation purposes only for a maximum of four (4) weeks, or such other duration as specified by Darktrace in writing at its sole discretion (the "Evaluation Period"). Except for the foregoing, Darktrace does not grant Customer any rights, implied or otherwise in or to the Offering in respect of an Evaluation. Customer must keep the Appliance free from liens, will be responsible for any damage to such Appliance during the Evaluation Period (reasonable wear and tear excepted) and will carry insurance coverage (all risks) in an amount equal to the full replacement value of the Appliance. On the expiry of the Evaluation Period, and unless the Parties agree to a subsequent purchase of the Offering, Customer shall return the Appliance to Darktrace securely and properly packaged, with carriage (and insurance at Customer's option) and this Agreement will terminate.
- 2.2. If Darktrace provides Customer with a new product or new version of the Offering for technical preview or beta testing purposes (a "Preview Product"), Customer may use the Preview Product for evaluation purposes, in a non-production test environment only, for the period specified by Darktrace (the "Test Period"). Customer will test the Preview Product in accordance with any conditions specified in the readme file for the software or any accompanying Documentation and will gather and report test data, feedback, comments and suggestions to Darktrace. Customer's right to use the Preview Product will terminate upon expiry of the Test

Period. Darktrace does not warrant that it will release a commercial version of the Preview Product, or that a commercial version will contain the same or similar features as the Preview Product.

- 2.3. Clause 9 and Clause 12 will not apply to Evaluations or Preview Products. APPLIANCES PROVIDED FOR THE PURPOSES OF EVALUATION (“EVALUATION PRODUCTS”) AND PREVIEW PRODUCTS ARE PROVIDED “AS IS” AND, TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW: (i) DARKTRACE MAKES NO WARRANTIES, CONDITIONS, REPRESENTATIONS OR UNDERTAKINGS OF ANY KIND, WHETHER EXPRESS, IMPLIED, STATUTORY OR OTHERWISE WITH RELATION TO SUCH EVALUATION PRODUCTS OR PREVIEW PRODUCTS; AND (ii) IN NO EVENT SHALL DARKTRACE BE LIABLE TO CUSTOMER OR TO THOSE CLAIMING THROUGH CUSTOMER FOR ANY DIRECT, INDIRECT, CONSEQUENTIAL, INCIDENTAL OR SPECIAL DAMAGE OR LOSS OF ANY KIND, OR ANY LOSS OF PROFITS, LOSS OF CONTRACTS, BUSINESS INTERRUPTIONS, LOSS OF OR CORRUPTION OF INFORMATION OR DATA HOWEVER CAUSED AND WHETHER ARISING UNDER CONTRACT OR TORT (INCLUDING WITHOUT LIMITATION NEGLIGENCE), EVEN IF DARKTRACE HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.
- 2.4. IF ANY LIMITATION, EXCLUSION, DISCLAIMER OR OTHER PROVISION CONTAINED IN CLAUSE 2.3 ABOVE IS HELD TO BE INVALID FOR ANY REASON BY A COURT OF COMPETENT JURISDICTION AND DARKTRACE BECOMES LIABLE THEREBY FOR LOSS OR DAMAGE THAT MAY LAWFULLY BE LIMITED, SUCH LIABILITY WHETHER IN CONTRACT, TORT OR OTHERWISE, SHALL NOT EXCEED TEN THOUSAND U.S. Dollars (\$10,000).

3. OFFERING; ORDER PROCESS

- 3.1. The Product Order Form must be in writing and reference this Agreement to be valid. The Product Order Form will be governed by this Agreement and any different or additional terms presented with or in any communication, including but not limited to, Customer’s purchase order, are deemed null and void and of no effect unless the additional terms are agreed upon by the Parties in writing prior to acceptance of that Product Order Form.

- 4.2. Delivery. Darktrace will use commercially reasonable efforts to ship the Appliance(s) on the agreed delivery dates (in partial or full shipments); provided, however, that Darktrace will in no event be liable for any delay in delivery or for failure to give notice of delay. Darktrace may withhold or delay shipment of any order if Customer is late in payment or is otherwise in default under this Agreement. Darktrace will deliver the Appliance FCA (Incoterms 2010) to the agreed Sites. In the absence of specific shipping instructions from Customer, Darktrace will ship by the method of its choice. Unless otherwise agreed, Customer will pay and be exclusively liable for all costs associated with shipping and delivery including without limitation, freight, shipping, customs charges and expenses, cost of special packaging or handling and insurance premiums incurred by Darktrace in connection with the shipment of the Appliance(s) to Customer. Darktrace will identify itself in all documents related to the shipment of the Appliance(s) as the exporter of record from the applicable jurisdiction of export, and Customer (or its agent, as applicable) as the importer of record into the country of delivery.
- 4.3. Title to Hardware. Title to the Hardware will remain with Darktrace for the entire Term. Upon termination for any reason, or on expiration of the Term, Customer shall return the Hardware to Darktrace, securely and properly packaged, with carriage (and insurance at Customer’s option) prepaid. Whilst the Hardware is in Customer’s possession, Customer must (a) clearly designate the Hardware as Darktrace’s property; (b) hold the Hardware on a fiduciary basis as Darktrace’s bailee; (c) store and use the Hardware in a proper manner in conditions which adequately protect and preserve the Hardware; (d) insure the Hardware against all risks to its full replacement value; and (e) not sell, charge, pledge, mortgage or otherwise dispose of the Hardware or any part of it or permit any lien to arise over the Hardware (or part thereof) and keep the Hardware free from distress, execution and other legal process.

- 5.2. Licence Restrictions. All Software is licensed, not sold. The restrictions in this Agreement represent conditions of Customer's licence. Unless otherwise specified in the Product Order Form or the Documentation, the Software is pre-installed on the Hardware and Customer agrees to use the Software solely in conjunction with such Hardware and not separately or apart from the Hardware. Customer specifically agrees not to: (i) sub-licence, rent, sell, lease, distribute or otherwise transfer the Software or any part thereof or use the Offering, or allow the Offering to be used, for timesharing or service bureau purposes or otherwise use or allow others to use for the benefit of any third party (other than Customer's Affiliates); (ii) attempt to reverse engineer, decompile, disassemble, or attempt to derive the source code or underlying ideas or algorithms of the Software or Third Party Software (other than the GPL Software) or any portion thereof, except as required to be permitted by applicable law; (iii) modify, port, translate, localise or create derivative works of the Software, the Third Party Software, the Documentation; (iv) use the Offering: (a) in violation of any law, statute, ordinance or regulation applicable to Customer (including but not limited to the laws and regulations governing publicity or privacy, export/import control, federal, state and local laws and regulations governing the use of network scanners and related software in all jurisdictions in which systems are scanned or scanning is controlled, or anti-discrimination, in each case that are applicable to Customer); or (b) negligently, intentionally or wilfully propagate any virus, worms, Trojan horses or other programming routine intended to damage any system or data; (v) remove or modify any acknowledgements, credits or legal notices contained on the Appliance or any part thereof; (vi) install or run on the Hardware on any software applications other than the Software and Third Party Software installed by Darktrace on such Hardware; (vii) collect any information from or through the Offering using any automated means (other than Darktrace approved APIs), including without limitation any script, spider, "screen scraping," or "database scraping" application or gain or attempt to gain non-permitted access by any means to any Darktrace computer system, network, or database; and (viii) file copyright or patent applications that include the Offering or any portion thereof.
- 5.3. Affiliate Use. Darktrace acknowledges and agrees that the Offering may be used for the benefit of Customer Affiliates incorporated on or before the Effective Date of the Product Order Form. Such Customer Affiliates will be entitled to utilise the Offering in the same way as Customer under the terms of this Agreement. To the extent that any such Customer Affiliate utilises the Offering in accordance with this Clause 5.3 Customer (acting as agent and trustee of the relevant Customer Affiliate) will be entitled to enforce any term of this Agreement and recover all losses suffered by such Customer Affiliate pursuant to this Agreement as though Customer had suffered such loss itself, provided that in no event may Customer make multiple recoveries in respect of the same loss.
- 5.4. Outsource Provider. In the event that Customer contracts with any third party service provider(s) such as an outsourcer, hosting, managed service, or collocation service provider or other information technology service provider for the performance of information technology functions (each, an "Outsource Provider"), Customer may permit such Outsource Provider to exercise all or any portion of the rights granted in Clause 5.1 above solely on Customer's or its Affiliates' behalf, provided that, (i) the Outsource Provider will only use or operate the Offering for Customer's use subject to terms and conditions that are consistent with the rights and limitations set out in this Agreement; and (ii) Customer will remain liable for the acts and omissions of the Outsource Provider under this Agreement.

Any items provided as replacement under the terms of the applicable warranty will be warranted for the remainder of such original warranty period. Darktrace will pay for, and will bear all risk of loss of or damage to, the return shipment of the Appliance to Darktrace and the shipment of repaired or replaced the Appliance to Customer. Customer agrees to provide prompt notice of any failure under Clause 9.3 and Darktrace will re-perform any Service that fails to meet the warranted standard.
- 9.6. DISCLAIMER. THE OFFERING WILL BE ERROR-FREE OR UNINTERRUPTED.

- 8.1 In the event that the Data Processor suffers a Personal Data Breach, the Data Processor shall inform the Data Controller within twenty-four (24) hours upon learning of the same and reasonably cooperate with the Data Controller to mitigate the effects and to minimise any damage resulting therefrom. To the extent reasonably possible, the notification to the Data Controller shall include: (i) a description of the nature of the incident, including where possible the categories and approximate number of data subjects concerned and the categories and approximate number of Personal Data records concerned; (ii) the name and contact details of the Data Processor's data protection officer or another contact point where more information can be obtained; (iii) a description of the likely consequences of the incident; and (iv) a description of the measures taken or proposed to be taken by the Data Processor to address the incident including, where appropriate, measures to mitigate its possible adverse effects

9. SUBPROCESSORS

- 9.1 Save as expressly provided herein, the Data Processor will not use subprocessors for the processing of Personal Data. For the purposes of providing Support Services alone: (i) The Data Controller hereby authorises the Data Processor to use its affiliates specified in the Support Services Datasheet to process Personal Data (the "Affiliate Subprocessors"); (ii) The Data Processor shall have in place with the Affiliate Subprocessors a written agreement equivalent to the terms contained herein to protect Personal Data; and (iii) The EU Model Clauses shall apply to the extent the processing of Personal Data by the Affiliate Subprocessors involves a transfer of Personal Data which originates in the EEA to a third country outside of the EEA. For such purposes, the Data Controller hereby authorises the Data Processor to enter into the EU Model Clauses with the Affiliate Subprocessors on the Data Controller's behalf.
- 9.2 Save for the foregoing, the Data Processor shall not engage any subprocessors without the prior written authorisation of the Data Controller. In the event that the Data Controller authorises the use by the Data Processor of any other subprocessors, the Data Processor shall procure that such subprocessors enter into a written agreement containing provisions no less stringent than this DPA.
- 9.3 The Data Processor shall be fully liable for any breach by the subprocessors of any data protection obligations set out in this Clause.

10. ASSISTANCE WHEN HANDLING REQUESTS FROM DATA SUBJECTS

- 10.1 Taking into account the nature of processing and the information available to the Data Processor, the Data Processor will provide reasonable support to the Data Controller: (i) in complying with any legally mandated request for access to or correction of any Personal Data by a data subject under Chapter III GDPR (and where such request is submitted to the Data Processor, the Data Processor will promptly notify the Data Controller of it); (ii) in responding to requests or demands made to the Data Controller by any court or governmental authority responsible for enforcing privacy or data protection laws; or (iii) in its preparation of a Data Protection Impact Assessment.

11. AUDIT

- 11.1 The Data Processor agrees to maintain ISO 27001 certification for the duration of the Term. The Data Processor will use an external auditor to verify that its security measures meet ISO 27001 standards in accordance with the ISO certification process. On the Data Controller's written request, and subject to appropriate confidentiality obligations, the Data Processor will make available to the Data Controller: (i) a copy of the current certificate in relation to the ISO 27001 certification; and (ii) Information reasonably requested by the Data Controller in writing with regards to the Data Processor's processing of Personal Data under this DPA. The Data Controller agrees to exercise any right it may have to conduct an audit or inspection under GDPR (or the EU Model Clauses if they apply) by requesting the foregoing information.

12. RETURN/DESTRUCTION OF PERSONAL DATA

- 12.1 Upon termination of the Agreement, the Data Processor shall delete or return all Personal Data in accordance with the Data Controller's written instructions.
