Dan Smith
Barnes Lake Management District Steering Committee
Staff representative
555 Israel Road SW
Tumwater, WA 98501

Dear Mr. Smith,

Please accept this letter of interest for a position on the Barnes Lake Management District Steering Committee.

I have attended two meetings of the Steering Committee and have found that this Committee is quite serious about improving the Barnes Lake area. I believe I can contribute to the work of the committee.

I have lived on Barnes Lake most of the last thirty years. I worked on improving the value of the lake for lake residents prior to the creation of the BLMD by surveying lake residents and helping organize a voluntary contribution method.

I intend to live in the Barnes Lake area for at least the next two years and would be able to attend most meetings of the Steering Committee.

Thank you for consideration of this letter,

Gary Bodeutsch

Barnes Lake Management District Steering Committee

Name: Kathy Peterson

Address: [REDACTED]

Reasons why I am interested in participating as a member of the Steering Committee:

Barnes Lake is an important resource to the homeowners around the lake and a haven for fish and wildlife. I have lived on Barnes Lake for 26 years and have watched the quality of the lake deteriorate significantly. I supported the lake clean-up efforts of 1993 and was a founding member of the Barnes Lake Conservancy and currently serve as secretary. I am recently retired from the State of Washington, where I managed an \$8 million federal grant and wrote administrative rules for the Mental Health Division. I look forward to the opportunity to work cooperatively in support of the Barnes Lake Management District.
