Description of Utility Relocation or Adjustments and Existing Major Structures Involved in the Project

The project will replace water main on Capitol Boulevard replacing existing cast iron along X street with ductile iron upsizing existing storm system within project limits replacing existing concrete sewer with modern materials

FAA Involvement

Is any airport located within 3.2 kilometers (2 miles) of the proposed project? ☒ Yes ☐ No

Remarks

The project is reconstruction of a currently signalized intersection into a roundabout.

This project has been reviewed by the legislative body of the administration agency or agencies, or it's designee, and is not inconsistent with the agency's comprehensive plan for community development.
