

TO: Public Works Committee
FROM: Bill Lindauer, Engineering Services Manager
DATE: March 21, 2024
SUBJECT: Interstate 5 / Trosper Road / Capitol Boulevard Reconfiguration Project Update

1) Recommended Action:

None. This is a discussion item only.

2) Background:

The Interstate 5 / Trosper Road / Capitol Boulevard Reconfiguration Project addresses traffic congestion, bicyclist safety, and pedestrian accessibility deficiencies in the vicinity of the Trosper Road and Capitol Boulevard intersection per the Capitol Boulevard Corridor Plan. The project includes construction of three roundabouts, bike lanes, new sidewalks and curb ramps, street lighting, landscaping, business access improvements, an extension of Trosper Road, construction of a new segment of roadway connecting Lee Street directly with Interstate 5 and Trosper Road and upgrading City utilities in accordance with associated planning documents.

The construction contract was awarded to Active Construction, Inc. of Tacoma Washington, in the amount of \$12,150,150 in late 2022 and construction began in January 2023. Staff will provide a project update including project and construction highlights, milestones, and anticipated schedule remaining for completion of the project.

3) Policy Support:

Create and Maintain a Transportation System Safe for All Modes of Travel

- Implement Capitol Boulevard Plan
 - Bike and pedestrian system improvements.
-

4) Alternatives:

☐ N/A

5) Fiscal Notes:

N/A

6) Attachments:

None.
