

# **5901 Black Lake-Belmore Road SW Ten Percent Annexation Petition (TUM-25-0453)**

**City Council, June 3, 2025**

# Intent

- Present the Ten Percent Annexation Petition
- Explain the Sixty Percent Annexation Method Process
- Discuss Next Steps

# Background

- The owner of a property on Black Lake-Belmore Road SW in Tumwater's urban growth area is requesting to be annexed
- A ten percent annexation petition applications was filed with the City on April 25, 2025, and was deemed complete on April 29, 2025, after payment of application review fees
- Because the property owner owns all the property included in the annexation area, they filed annexation petitions representing both ten percent and sixty percent of the value of the property proposed for annexation

# Background

- The property owner has indicated their willingness to assume their fair share of the City's indebtedness and are willing to accept the land use designation and zone district for their property
- Staff is unaware of any pending development applications for the property

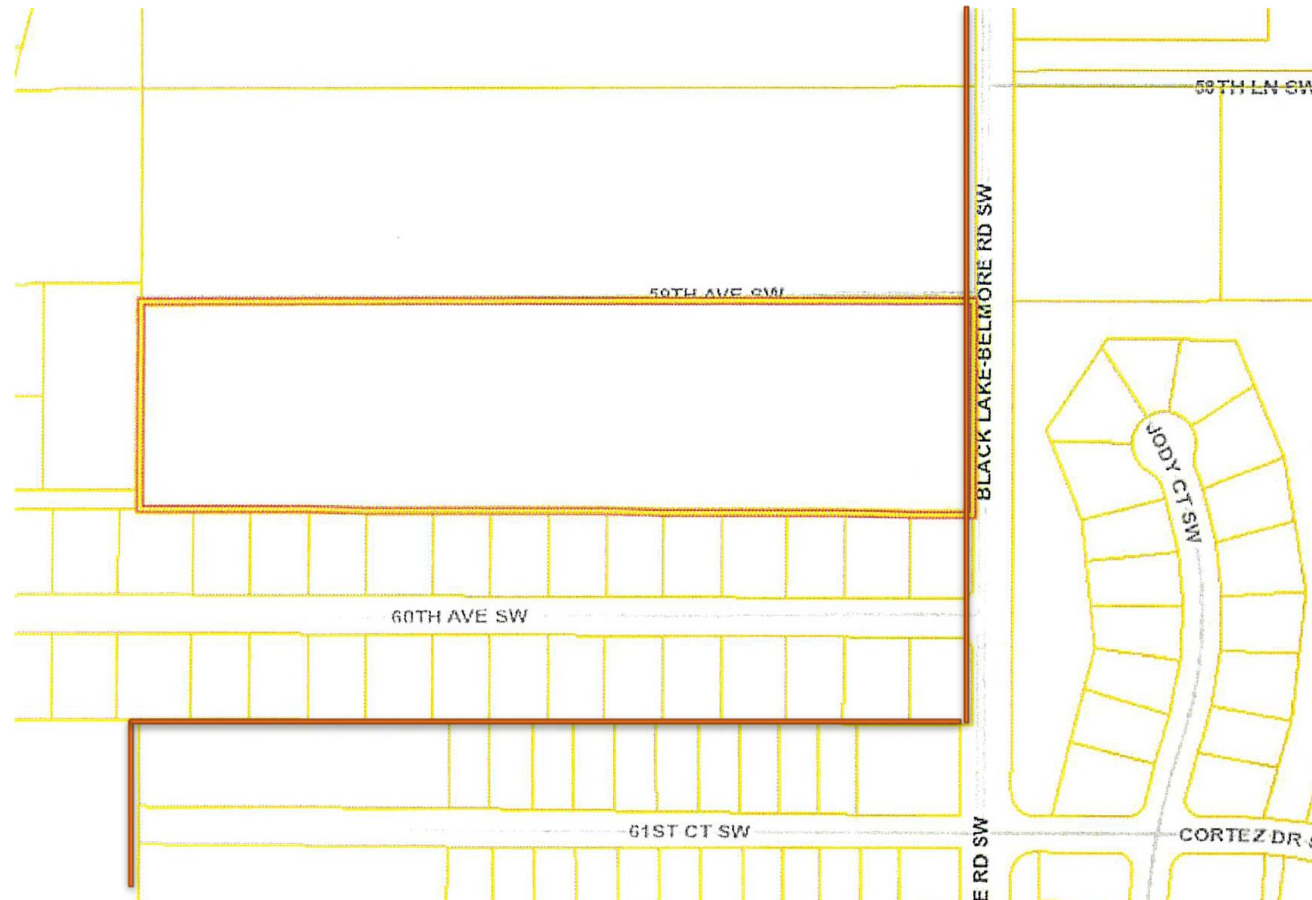

# Proposed Annexation Area

- The proposed annexation area consists of a parcel located northwest of the intersection of Black Lake-Belmore Road SW and 60th Avenue SW and is 9.72 acres in size
- The parcel has a Single Family Low Density Residential district designation and is undeveloped

# Proposed Annexation Area

- 5901 Black Lake-Belmore Road SW
- Owned by Terrence Hess
- Parcel #12705220200
- Approximately 9.72 acres

# Initial Request of City Council

The ten percent annexation petition requests that the City Council set a date not later than 60 days after the filing of the ten percent petition for a meeting with the property owner to determine:

1. Whether the City Council will accept, reject, or geographically modify the proposed annexation;
2. Whether the City Council will require adoption of a new land use designation for the area to be annexed; and
3. Whether the City Council will require the assumption of existing City indebtedness by the area to be annexed

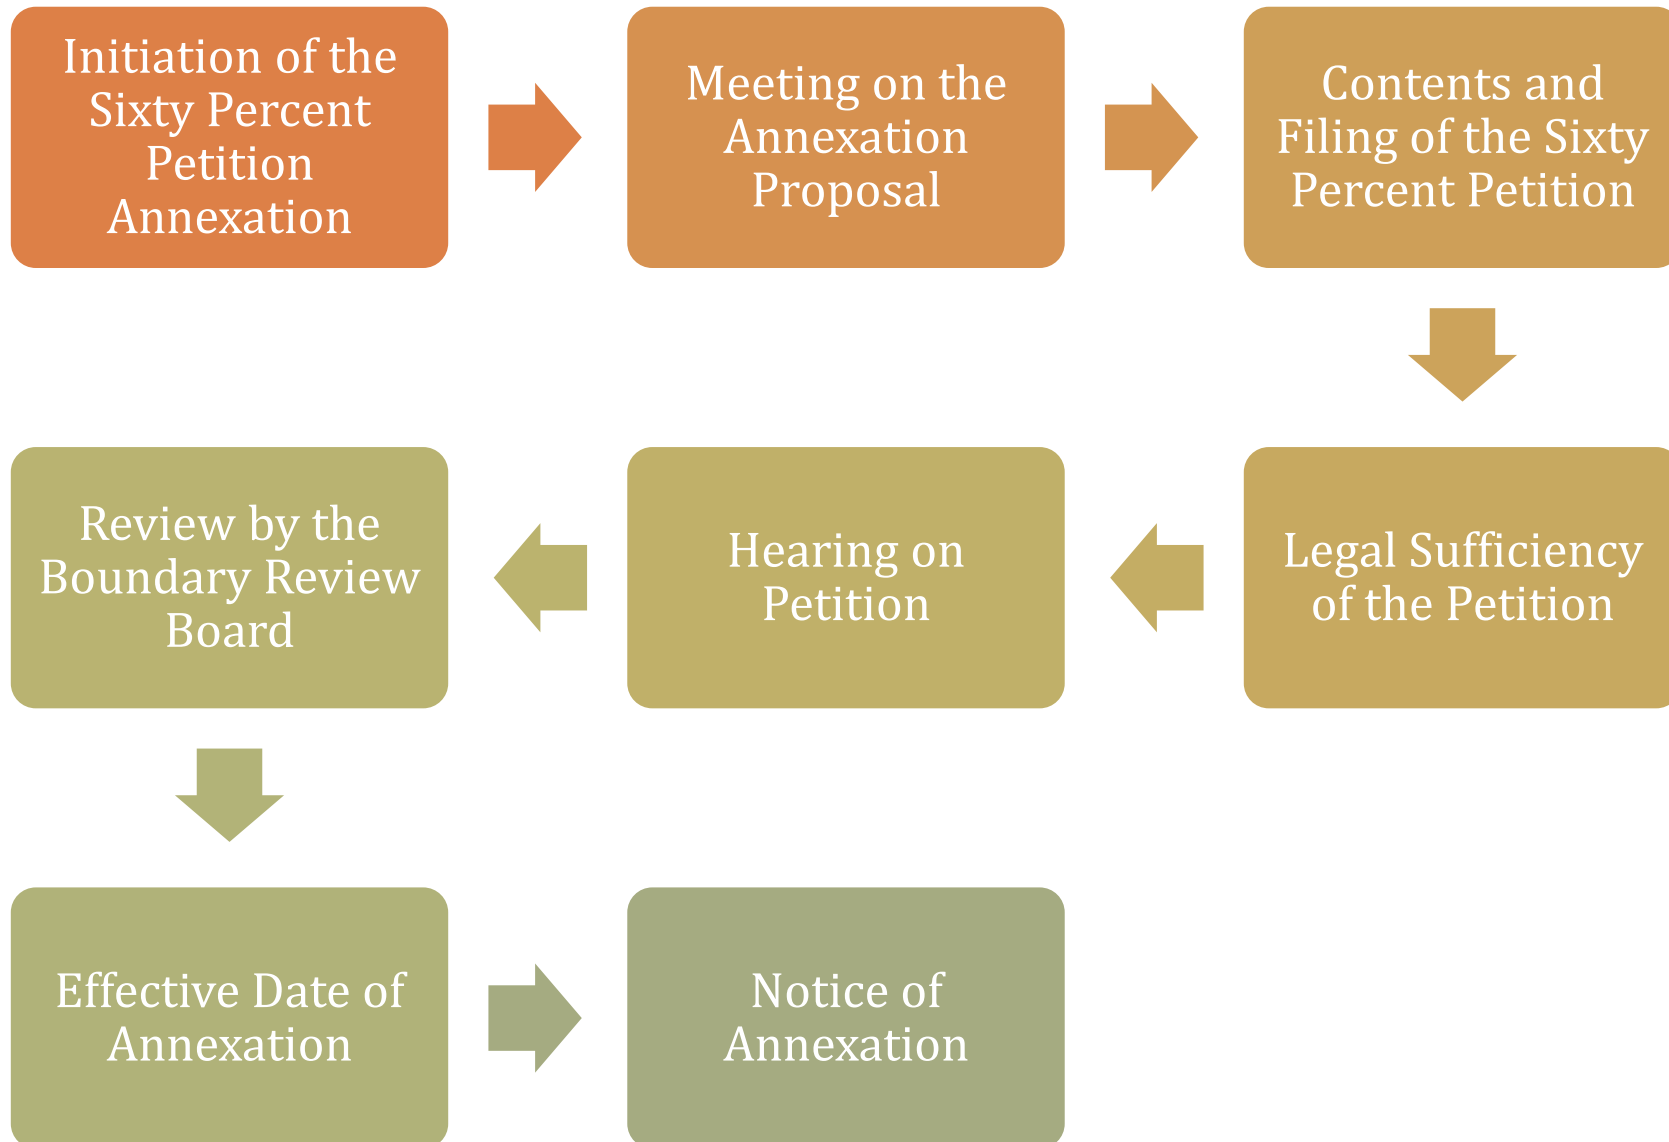

# Assumption Indebtedness

The *Annexation by Washington Cities and Towns* notes that annexation statutes authorize the City Council to require property in an area being annexed to assume, as a condition of annexation, a pro rata share of the annexing city's then outstanding indebtedness that had been approved by the voters, contracted, or incurred prior to, or existing at, the date of annexation

# Sixty Percent Annexation Method Process

# General Government Committee Recommendation

- Accept the proposal to annex, with no modifications
- Do not propose any amendments to the existing land use designations or zone districts
- Require the annexed area to assume City indebtedness

# Initial Request of City Council

- Discuss with petition with the applicants and decide whether to move consideration of the proposed annexation forward

# Future Steps

- If the Council decides to accept the annexation proposal – either as proposed or modified – then a sixty percent petition will be drafted and circulated to the affected property owners
- Approval by property owners representing sixty percent of the assessed value of the annexation area is required
- Final approval would only occur after review and approval of the Boundary Review Board, followed by a public hearing and a vote of City Council
