## Statement of Interest

### Barnes Lake Management District Steering Committee

Name: Kathy Peterson

Address: 

Reasons why I am interested in participating as a member of the Steering Committee:

Barnes Lake is an important resource to the homeowners around the lake and a haven for fish and wildlife. I have lived on Barnes Lake for 26 years and have watched the quality of the lake deteriorate significantly. I supported the lake clean-up efforts of 1993 and was a founding member of the Barnes Lake Conservancy and currently serve as secretary. I am recently retired from the State of Washington, where I managed an \$8 million federal grant and wrote administrative rules for the Mental Health Division. I look forward to the opportunity to work cooperatively in support of the Barnes Lake Management District.
