FROM: Chuck Denney, Parks and Recreation Director
DATE: September 16, 2026
SUBJECT: Trails End Park Update

1) Recommended Action:

Information/Discussion Item.

2) Background:

The preliminary design of the neighborhood park at the former Trails End site was completed through a public process in 2023. Since that time, staff have worked with design and engineering consultants to refine the plan and create construction documents for future bidding of the project.

The park is funded through the Tumwater Metropolitan Park District and planning is underway to coordinate construction with the City's planned Public Works Operations building and a new roundabout on Hwy 99.

3) Alternatives:

Information item.

Jared VerHey, Tumwater's Capital Projects Manager, will provide information on the current park design and construction elements.
