

TO: Public Works Committee
FROM: Steve Craig, WRS Utilities Operations Manager
DATE: March 20, 2025
SUBJECT: Acceptance of Work for the Palermo Security Fencing Replacement Project

1) Recommended Action:

Place the Palermo Security Fencing Replacement Project acceptance of work request on the City Council consent calendar on April 15, 2025 with a recommendation to accept the project as complete and authorize the release of the performance bond as soon as the laws of the state of Washington allow.

2) Background:

The project included the replacement and improvement of 1,180 linear feet of existing perimeter security fencing that surrounds the Palermo drinking water production and treatment facility.

The existing perimeter security fence was removed and replaced with new fencing meeting current security standards for drinking water facilities. Site access control measures were also improved to prevent unauthorized access.

The Public Works Contract with the lowest responsive bidder, West Coast Fence Pros LLC, was signed on September 26, 2024, for \$162,631.32. Work on this project is complete, and the final contract total is \$162,659.82.

3) Policy Support:

- * Safe Drinking Water Act
 - * American Water Infrastructure Act
-

4) Alternatives:

- None. Project is complete and all administrative requirements have been met.
-

5) Fiscal Notes:

Full project funding in the amount of \$162,659.82 was provided by the Drinking Water fund.

6) Attachments:

- A. Project Overview
