

AGREEMENT BETWEEN
THE CITY OF TUMWATER
AND
THE TUMWATER POLICE OFFICERS GUILD

PREAMBLE

This Agreement is between the City of Tumwater, Washington (hereinafter referred to as the "Employer" or "City") and the Tumwater Police Guild (hereinafter referred to as the "Guild") for the purpose of setting forth the mutual understandings of the parties as to wages, hours, and other conditions of employment of those employees for whom the Employer has recognized the Guild as the exclusive bargaining representative. (Such employees are hereinafter referred to as "employees.") All references to employees in this agreement designate both sexes and wherever the male gender is used, it shall be construed to include male and female employees.

ARTICLE 1 - RECOGNITION

The City recognizes the Guild as the exclusive bargaining agent for all full-time and/or part-time (employees compensated for 20 hours or more per week) commissioned officers employed in regular positions in the Tumwater Police Department.

The City also recognizes the Guild as the exclusive bargaining agent for all full-time and/or part-time (employees compensated for 20 hours or more per week) commissioned sergeants and lieutenants employed in regular positions in the Tumwater Police Department.

The officer bargaining unit and the supervisory unit comprising sergeants and lieutenants are two separate bargaining units recognized and certified as such by the Public Employment Relations Commission but in the interests of efficiency, the parties to this agreement have decided to draft one contract to govern terms and conditions of employment for both bargaining units.

ARTICLE 2 - MANAGEMENT RIGHTS

Section A. Management Rights. It is understood and agreed by the parties that the City possesses the sole right to operate the Department so as to carry out the statutory mandate, mission and/or goals assigned to the Department, and that all Employer rights not modified by the Agreement repose in the City. However, such rights must be exercised consistent with the provisions of this Agreement. These Employer rights include, but are not limited to the following:

1. To utilize personnel, methods and means in the most appropriate and efficient manner possible.
2. To manage and direct the employees of the City.
3. To hire, promote, transfer, assign, train, evaluate or retain employees in positions within the City.
4. To establish work rules and rules of conduct.
5. To suspend, demote, discharge, or take other appropriate disciplinary action against employees for just cause.
6. To determine the size and composition of the work force and to lay off employees, with at least thirty (30) days' notice to the impacted employees, in the event of lack of work or funds.
7. To determine the mission of the City and the methods and means necessary to efficiently fulfill that mission.

The parties agree that the above statement of management rights is for illustrative purpose only and is not to be construed as restrictive, or interpreted so as to exclude those prerogatives not mentioned which are inherent to the Employer.

ARTICLE 3 - COMPLETE AGREEMENT/PAST PRACTICE

Section A. Complete Agreement. Pursuant to their statutory obligations to bargain in good faith, the City and the Guild have met in full and free discussion concerning matters in employment relations. This contract incorporates the sole and complete Agreement between the City and the Guild resulting from these negotiations.

Section B. Past Practices. The parties recognize the City's full right to direct the work force and to issue rules, regulations and procedures and that these rights are diminished only by the law and this Agreement, including interpretive decisions, which may evolve pursuant to the proper exercise of authority given by the law or this Agreement. The Employer is not limited, confined, or restricted by past practice,

rule, custom, or regulation in making changes in policies, procedures, rules, and regulations to carry out the mission of the Department.

However, this article shall not be interpreted to restrict the Guild's right to bargain the decision and impact of subjects of bargaining where the City is compelled to negotiate over the matter by State law.

In the case of disagreement between the parties, the Public Employment Relations Commission (PERC) shall make the decision under this subsection as to whether the City is compelled to negotiate under State law.

ARTICLE 4 - MAINTENANCE OF STANDARDS

The City agrees that all written conditions of employment contained in this Agreement in its individual operation relating to wages, hours of work, overtime, general working conditions, benefits, and job security provisions shall be maintained at no less than the standards in effect at the time of the signing of this Agreement.

ARTICLE 5 - EMPLOYEE RIGHTS

Section A. Negotiations. The composition of the Guild's negotiating team shall be determined by the Guild. Not more than three (3) employees shall be permitted to attend negotiating meetings with the City's representatives as part of the Guild's negotiating team. The City will not require a Guild negotiating team member to use leave if the meeting occurs while that person is on duty provided there is no additional cost to the City, unless mutually agreed otherwise. The Guild acknowledges that conflicts between negotiating meetings and response to calls for service while on duty will be resolved by proper performance of Police duties.

Section B. Guild Business. The Guild agrees that members of the Guild selected to serve as official representatives will be certified as such in writing to the City Administration. The Guild agrees that Guild business shall not interfere with the operations of the Department or the Police duties.

Section C. Right of Access. Subject to the due process provisions of this Agreement, Guild representatives and agents of the Guild shall have the right to reasonable access to the Police Department for the purpose of investigating grievances, and other business related to the representation of employees for the purpose of employment relations.

Guild representatives and agents of the Guild shall not unreasonably interfere with the employee's work. This Article is not intended to be used for membership drives or recruiting new members.

Section D. Guild Meetings. Guild members who are on duty shall be allowed to attend guild meetings so long as calls for service are answered without delay and according to the usual protocols. Attendance at Guild meetings, while on duty, shall be limited to a maximum of one and one-half (1.5) hours.

Section E. Guild Bulletin Board Space. The City shall provide a bulletin board space for Guild use. All materials posted thereon shall be the responsibility of the Guild. Posted materials shall relate only to Guild meetings, elections, social events, and reports of committees and the listing of Guild officers. No material posted shall reflect derogatorily upon employees of the City. Posting of materials by the Guild on any other City property shall be prohibited unless approved by the chief.

ARTICLE 6 - CITY AND GUILD COOPERATION

Section A. No Strike Provision. The Guild recognizes the detriment and disservice caused the citizens for which they serve by striking or any other job action and agrees that during the life of the Agreement, neither the Guild or its members shall engage in, initiate, sponsor or direct a strike, secondary boycott, picket, "blue flu," work slowdown, work stoppage, or work speedup for any purpose.

Section B. Picket Lines. The Guild and its members while acting in the course of their employment shall not honor any picket line.

Section C. Guild Cooperation and Control. In the event of a violation of this Article and notification of such by the City, the Guild shall immediately notify and instruct the employees orally and in writing that such action is in violation of this Article and that they are to return to normal service immediately. The Guild shall take other affirmative steps, as required in good faith cooperation with the chief, to bring about a stoppage of such violation. The chief shall have the right to discipline any member of the Guild found in violation of this Article, including discharge, and such discipline shall not preclude or restrict the City's recourse to any other available remedies including an action for injunction or damages.

Section D. No Lock-Out Provisions. There will be no lock-out of employees in the unit by the City as a consequence of any dispute arising during the life and duration of this Agreement.

ARTICLE 7 – DISCRIMINATION

Section A. Guild Activity. No members shall be discriminated against for Guild activities.

Section B. Equality. To promote and foster a diverse workforce with equitable working conditions, the parties agree that the provisions of this contract shall be applied equally to all employees in the bargaining unit without discrimination as to

race, religion, creed, color, national origin, sex, disability, sexual orientation, age or other basis prohibited by state or federal law.

Section C. Compliance with the ADA. The parties agree that the employer may take all reasonable actions to comply with the American with Disabilities Act subject to the terms of this agreement and the statutory duty to bargain.

ARTICLE 8 - SETTLEMENT OF DISPUTES

Section A. Definitions. For the purpose of the Agreement the term "grievance" is defined as an interpretation or application of the articles in this Agreement.

Section B. The parties agree to make every effort to resolve issues informally. If no satisfactory settlement is reached, the following procedure shall apply:

Step 1. The grievance shall be reduced to written form by the Guild or the aggrieved employee stating the section of the Agreement violated and explaining the grievance in detail. The written grievance shall be presented to the chief within fourteen (14) days from the date the alleged contract violation occurred. The chief or their designee shall convene a meeting, within seven (7) days after the receipt of the written grievance, between the employee, Guild representative and any other appropriate City officials. Seven (7) days after such meeting, the chief or designee shall transmit a copy of their written decision to the aggrieved employee and guild representative.

Step 2. If no satisfactory settlement is reached upon the conclusion of Step 1, the written grievance shall be transmitted by the grievant to the City Administrator or their designee within fourteen (14) days after the Step 1 decision has been received by the grievant. The City Administrator or designee shall convene a meeting within seven (7) days of receipt of the written grievance from the grievant. Not more than seven (7) days after the conclusion of this meeting, the City Administrator or designee shall transmit a copy of their decision to the grievant and Guild.

Step 3. The Guild may request arbitration in writing to the City Administrator within forty-five (45) days after receipt of the Step 2 decision.

Non-disciplinary Arbitration shall be conducted by an arbitrator from the Federal Mediation and Conciliation Service, or if agreed upon by the parties, Public Employees Relations Commission (PERC). Arbitrators for discipline grievances shall be selected in accordance with state law. The arbitrator shall have no power to alter, add to or subtract from the terms of this Agreement. The

arbitrator shall confine inquiry and decision to the specific area of the contract as cited in the grievance form. Contract interpretation grievances involving claims for compensation shall be limited to thirty (30) days of back pay from the date the grievance was filed. Hearings shall be completed within 120 days from the selection of the arbitrator except in the case of extenuating circumstances. Briefs, if any, shall be filed within thirty (30) days for the completion of the record, which may be extended by mutual agreement. Arbitration decisions shall be issued within thirty (30) days following the filing of briefs or completion of the record, whichever occurs last.

The decision of the arbitrator may be enforced in any court of competent jurisdiction should either party fail to implement the decision.

Each party shall bear its own costs of arbitration, including attorneys' fees, except that the fees and charges of the arbitrator shall be shared equally by the parties.

ARTICLE 9 - DISCIPLINE AND DISCHARGE

Section A. Employee Discipline and Discharge. Discharge and discipline of employees shall be based on the standard of just cause.

Disciplinary and discharge matters may be advanced through the grievance arbitration process as outlined in this Agreement or through the steps established in the Tumwater civil service rules to the final step, which is a public hearing before the Tumwater Civil Service Commission. The choice between a hearing before the Commission and arbitration must be made by the Guild, in writing, prior to requesting arbitration. The decision of the Guild to seek arbitration in lieu of a hearing before the Commission is irrevocable and exclusive. In no case will a disciplinary matter be subject to both a public hearing before the Commission and arbitration.

Section B. Civil Service Rules Changes. The City will not propose any rule changes to the Civil Service Commission without first providing an opportunity for discussion with the Guild.

ARTICLE 10 - PERSONNEL FILE

Section A. Personnel File. The City shall maintain a personnel file for each employee. This file shall contain all of the employee's permanent records, including, but not limited to, civil service documentation relative to the employee, performance evaluations, payroll records and other official records. This personnel file shall be

maintained by the City's Human Resources Division. The City may also maintain a Departmental personnel file for an employee which could include documentation deemed appropriate by the chief, including, but not limited to, discipline, commendations, performance evaluations, and other official records.

Section B. Inspection of the File. An employee may inspect the contents of his/her personnel files, except for confidential reports from previous employers, upon the employee's oral request to do so. An employee's official representative, with the permission of the employee, may inspect all files pertaining to the employee, except confidential reports from previous employers.

Section C. Rebuttal Material. If an employee believes that there is material in a personnel file which is incorrect, the employee shall be entitled to prepare in writing an explanation or opinion regarding the particular material. Such a rebuttal shall be included as part of the file. If an employee believes that specific information should be removed from a file, the employee may petition for such consideration to the City, however, any such removal is subject solely to the discretion of the City and is not grievable.

Section D. Critical Entries. No information reflecting critically upon an employee shall be placed in any of the employee's personnel records that does not bear either the signature or initials of the employee or a notation by the employer indicating that the employee has been provided a copy of the material and refuses to sign. A copy of any such material shall be furnished to the employee by the Department concerned, when it is placed in the personnel record.

Section E. Purging.

1. Retention of materials in an employee's Departmental personnel file shall be retained in accordance with the following schedule:
 - a. Permanent Retention:
 - (1) Employment application and related materials including background investigation.
 - (2) Permanent letter of appointment.
 - (3) Documents related to completion of required and optional training.
 - (4) Promotion letters and Civil Service histories.
 - (5) Reports of accidents.
 - (6) Payroll documents.
 - (7) Off-duty employment authorizations.
 - (8) Performance evaluations.
 - b. Five-Year Retention:
 - (1) Notices of disciplinary action resulting in loss of time or pay, provided there have been no further disciplinary notices involving similar conduct during that five (5) year

period.

- c. Three-Year Retention:
 - (1) All documentation of oral or written reprimands, provided there have been no further disciplinary notices involving similar conduct during that three (3) year period.
 - d. Disciplinary documents shall be purged from an employee's Departmental personnel file when they reach the time limits identified above, upon oral or written request of the employee to the chief of police.
 - e. Documents purged from the employee's Departmental personnel file will be removed and forwarded to Human Resources for retention in the City's permanent personnel file.
2. Materials purged, as in Section 1, or retained beyond the retention schedule, will not be considered by the Department for the purposes of promotion, transfer or special assignments and shall not be used as the basis for further progressive disciplinary actions.

Section E. Medical Information on File. Medical information including, but not limited to, documents pertaining to physical or psychological assessments, the results of formal psychological tests, industrial accidents and disabilities shall be maintained in a file separate from the personnel file. Such information shall be stored in the Human Resources Office. Police department access to medical information on file shall be limited to the police chief, police commanders or lieutenants who, in the judgment of the chief, have a legitimate need to review the information.

ARTICLE 11 - LAYOFF AND RECALL

Section A. Employer Responsibility. The Employer shall be the sole determiner of when layoffs are necessary. The Employer may lay off employees when such action is determined to be necessary by reason of lack of work, lack of funds and/or reorganization. When the Employer determines that a layoff is necessary, then the Employer shall determine the number of employees and the affected classifications to be laid off.

Section B. Guild Notification. The Guild's President or designee will be notified, in writing, of the number of employees and classifications designated for reduction as soon as said determination is made. Prior to implementing a reduction in force decision, the employer shall confer with representatives of the Guild regarding the proposed plans and will consider the Guild's opinions in the matter. The City shall fully comply with reasonable Guild information requests relating to the layoffs and their necessity.

Section C. Layoff Procedure. An employee shall be provided with sixty (60) calendar days advance notice of pending layoffs or an involuntary reduction of normal work hours. The least senior employee within a rank or classification designated for reduction shall be laid off from the rank or classification. Persons laid off within each rank or classification shall revert to the next lowest rank or classification in which they have previously served. In the event that such entry requires or results in a reduction of force in the lower rank, such reduction shall be accomplished by a demotion or layoff of the person or persons in said lower classification or rank having the least seniority. Emergency, temporary, and provisional employees shall be laid off prior to the displacement of regular employees.

Section D. Voluntary Layoff. Simultaneous with implementing the provisions of the layoff procedure, the Employer may first seek, by a five (5) working day posting process, volunteers for layoff or voluntary resignation from among those employees who work within the same job classification as the affected employees. If there are more volunteers than affected employees, volunteers will be chosen by seniority. Employees who volunteer for layoff may opt for recall rights as described in this article at the time of layoff.

Section E. Recall Procedures. In the event of a subsequent vacancy within two (2) years in a higher classification or rank, employees demoted by layoff shall have the first right to be reassigned to a higher classification or rank. No new employees shall be hired by the City into the bargaining unit until the Chief determines that available, qualified employees within the classification placed on layoff have been offered re-employment. It shall be the employee's responsibility to keep the Employer advised of his/her current address. An offer of re-employment shall be in writing and sent by registered or certified mail to the employee. A copy of the City's offer of re-employment shall also be provided to the Guild President or designee. The employee shall be deemed to have received notice within five (5) calendar days after the City mailed said notice. An employee so notified must indicate his/her acceptance of said re-employment within ten (10) calendar days of receipt of notice and shall be back on the job within twenty (20) calendar days of acceptance of said offer or forfeit all call-back rights under this Article. Employees with a break in service of six months or more shall be required to successfully complete Phase 2 of the background investigation (i.e. polygraph, drug test, medical and psychological testing).

Section F. Call-back Rights. Employees recalled from layoff shall not lose previously accumulated time in service, provided all other provisions of this Article are complied with, including that the employees must be re-employed within two (2) years to retain these call-back rights and that the employee has successfully completed their probationary period.

Section G. Compensation Upon Layoff. Employees laid off shall be compensated for unused compensatory time and unused accumulated annual leave in accordance with the terms of this Agreement. The employer shall pay a laid-off employee's health insurance through the end of the month succeeding the month in which the layoff occurs.

Section H. Sick Leave Upon Layoff. Sick leave balances at the date of layoff not cashed out at the date of layoff shall be restored upon re-employment with the Employer if the person is hired into a regular position from the re-call list. No sick leave shall accrue during the period of layoff.

Section I. Seniority. Seniority shall be in accordance with existing civil service rules except that when employees have the same seniority date, ties shall be broken by the score on the Civil Service hiring list within their entry level Civil Service Classification, with the higher score resulting in the highest seniority placing.

ARTICLE 12 - LEAVES OF ABSENCE

Section A. Sick Leave. Sick leave shall be granted and allowed to accumulate at the rate of eight (8) hours for each month of employment. When sick leave usage is reasonably considered suspect, the City may require the employee to present a certificate from a registered practicing physician, or other bona fide practitioner attesting to the employee's illness after three days of sick leave usage. Maximum carryover of sick leave on January 1 of each year from the previous year is nine hundred and sixty (960) hours. A minimum of fifteen (15) days per month must be worked for an employee to receive sick leave credit for that month. Days not worked because the employee is on paid sick leave and/or annual leave shall be considered as days worked for the purpose of the preceding sentence. At minimum, employees will receive a minimum of one (1) hour of sick leave accrual for every 40 hours of paid work.

Should the employee be required to undergo a physical examination or provide a physician's certificate of illness, the employer shall bear the cost of such examination or certificate.

Any employee who is ill and unable to report to work shall make reasonable effort to notify the employee's immediate supervisor at least one (1) hour prior to the employee's reporting time. In case of a continuing illness, the employee shall keep the employee's immediate supervisor advised of the employee's inability to report to work.

In the event of an illness in the immediate family of an employee, employees shall be allowed to use their accrued sick leave to the extent and in the same manner that non-represented employees are permitted to do so by City policy and state law.

Employees may be allowed to share accrued sick leave to the extent and in the same manner that non-represented employees are permitted to do so by City policy and ordinance.

Section B. Sick Leave Payments.

1. Annual Payments. Employees shall be eligible to receive monetary compensation for accrued sick leave as follows: In November of each

year, and at no other time, employees with at least 768 hours of accrued sick leave may elect to convert the sick leave hours earned in the previous 12 month period, minus those hours used during that period, to monetary compensation at the rate of twenty-five percent and shall be based on the employee's current salary. Payment of converted sick leave shall be deposited into the employee's Health Reimbursement Account (HRA) through Northwest Public Employees & Western States Police Trust and will occur in the first paycheck issued in December.

2. Sick Leave Payments Upon Retirement. Employees who separate from city service due to retirement shall be compensated for twenty-five percent (25%) of their total unused sick leave accumulation, deposited into the employee's Health Reimbursement Account (HRA) through Northwest Public Employees & Western States Police Trust. Compensation shall be based upon the employee's salary at the time of separation and shall be subject to applicable withholding under state and federal law. For the purposes of the preceding sentences, retirement shall not include vested "out-of-service" employees who leave funds on deposit with the department of retirement systems (DRS). Employees who are choosing to retire and wish to receive a sick leave payment, must provide a resignation letter and appropriate documentation of their decision to retire to the city's Administrative Services Department. Employees who separate from city service as the result of death shall be compensated for their total unused sick leave accumulation at the rate of one hundred percent. Compensation shall be based upon the employee's salary at the time of separation.
3. Sick Leave Payments Upon Voluntary Termination or Layoff. Employees shall be compensated for twenty-five percent (25%) of their total unused sick leave accumulation at the time of separation be deposited into the employee's Health Reimbursement Account (HRA) through Northwest Public Employees & Western States Police Trust provided that the Employee has at least 192 hours of accrued sick leave. Employees shall be eligible for this benefit as a result of voluntary separation or involuntary layoff but shall not be eligible if terminated for cause. Compensation shall be based upon the employee's salary at the time of separation.

Section C. Bereavement Leave.

1. In the event of death in the immediate family, or aunt, uncle, niece, nephew, father-in-law, mother-in-law, son-in-law or daughter-in-law, of an employee, up to three (3) workdays paid leave may be approved by the department manager, for a non-represented employee to attend to family matters and the funeral. An additional two (2) workdays of sick leave may be approved by the City Administrator for travel time.

2. Up to four (4) hours paid leave will be allowed to attend the funeral of a close friend or other relative.

Section D. Jury Duty. An employee summoned for jury duty shall be granted administrative leave for such service and shall be paid by the City, their regular wage. Compensation received for jury duty shall be verified to the City and shall be remitted to the City upon receipt.

Section E. Maternity Leave. This program shall be administered according to applicable state and federal law.

Section F. Civil Witness Appearance. Leave of absence with pay, travel time included in work day, shall be granted for attendance in civil court cases in connection with the employee's officially assigned duties. Leave of absence with pay shall also be granted for an appearance connected with an employee's official duties before any legislative committee or judicial or quasi-judicial body as a witness in response to a subpoena or at the direction of proper authority, provided, however, that compensation received for such appearance shall be verified to the City and shall be remitted to the City upon request.

Section G. Medical Leave Without Pay. Non-probationary, LEOFF II officers who are injured off-duty, may elect to take, with written documentation from a physician, a period of medical leave without pay for up to 180 days. Extensions of the period of medical leave without pay may be granted by the City Administrator on a case-by-case basis. Officers granted medical leave without pay, may return to the same position or a similar position with the same pay and will not be required to serve a probationary period if the leave has been taken for the actual period of illness, recovery from injury or disability related to pregnancy or childbirth.

Section H. Paid Family Leave. Eligible employees are covered by Washington's Family and Medical Leave Program, RCW 50A.04. Eligibility for leave and benefits, which begins January 1, 2020, is established by Washington law and is therefore independent of this Agreement. Employer and employee premiums will be paid in accordance with Washington law.

ARTICLE 13 - PROBATIONARY PERIOD

Probationary periods shall not exceed one (1) year, provided that probationary periods may be extended by the City for the length of a leave period in the event the employee is on leave status for a period in excess of thirty (30) days. The parties further agree that under appropriate circumstances, probation periods may be extended by mutual agreement of the City and the Guild.

Entry-level police officers who are required to attend the basic law enforcement academy shall serve a probationary period of twelve months. The probationary period

begins when the officer returns from successful completion of the training and reports for duty at the Tumwater Police Department.

ARTICLE 14 - HOURS OF WORK

Section A. Establishing Work Hours. Work hours shall be established in accordance with applicable state and federal wage and hour laws.

Section B. Emergency Scheduling. In the event of an emergency situation declared by the chief, or in his/her absence, their designee, the schedule may be altered to meet the needs of the situation. The overtime rules will be honored as normally applied. Officers will return to their normal schedule as soon as the emergency has ended.

Section C. Shift Changes and Trades. Employees may be given permission to exchange, trade and/or request specific shifts or days off when the change does not interfere with the duties and responsibilities of the department. A “shift swap” is for unforeseen, single point in time circumstances and may be requested when officers need up to two days off, but either don’t have enough leave to cover a request for time off or minimum staffing level requirements would prevent approval of a leave request. Such a determination shall be made by the chief, or designee, provided the shift change request is made at least five (5) days before the date and change is to take place; unless this requirement is waived by the chief, or designee.

Section D. Patrol Work Schedule.

1. Patrol staff shall work four (4) consecutive days of work, each consisting of eleven (11) consecutive hours of work. Each work day shall include a 30 minute paid lunch and appropriate breaks. The four (4) day work week will be followed by four (4) consecutive days off.

Patrol staff working the patrol schedule will attend six (6) mandatory eleven (11) hour training days per year, in addition to their regularly scheduled work days. These training days will be assigned based on the agency's needs. Four (4) of the six (6) training days will not fall on the Patrol staff's calendar weekend and will be scheduled on the Patrol staff's last regularly scheduled day off. The four (4) scheduled days off will be scheduled 30 days in advance. The remaining two (2) training days will be scheduled based on the agencies needs and are exempt from the restrictions listed above.

Patrol and Metro shifts may be adjusted, forward or backwards, by two hours to accommodate vacation and training demands. Patrol staff schedules will be adjusted for the next work week by the end of their last scheduled shift prior to their days off. Any changes made after that time will be

compensated as overtime if worked in addition to the Patrol staff's eleven (11) hours shift or the Patrol staff can choose to adjust their shift as scheduled in lieu of working any additional overtime hours. EXEMPTION: To cover sick leave called in on the day of the affected shift, Patrol staff will be compensated at the overtime rate for any hours worked in excess of their scheduled eleven (11) hours shift, or they may flex their shift forward or backwards by two hours in lieu of overtime if adequate road coverage permits and at the approval of their supervisor.

2. Shift Bidding – Officers

- a. Officers are required to select two shifts for the entire year. The selection will consist of a nine-month consecutive shift assignment (April thru December) and a three-month consecutive shift assignment (January thru March). The selection will be made in descending order from the most senior officer to the least senior officer. Officers will initially select the nine-month consecutive shift assignment. Once this initial selection is complete the officers will be placed by the shift they selected within the two patrol teams, as outlined below. After they are set within one of the two patrol teams the officers will select their three-month consecutive shift assignment, within that respective patrol team based on seniority within that team, from the most senior officer to the least senior officer.

Officers must select one day shift and one night shift slot. The 1300 to 0000 shift will be considered a neutral shift and serve as either a day shift or a night shift. An officer is not permitted to select the 1300 to 0000 shift for the entire year unless no other shifts are available.

- i. An officer will only be bidding the scheduled two shifts of their choice based on seniority. The Leadership team consisting of the Commander and Lieutenants will have the authority to select and assign officers to a team for the upcoming year based on the department needs, with the final approval/modification to be approved by the Chief and/or their designee(s).
- b. The seniority shift selection schedule will be circulated by the Lieutenant in charge of scheduling no later than July 1st of the preceding calendar year.

- i. Each officer will have three consecutive calendar days to make their shift bid selection for the nine-month consecutive shift assignment (April thru December). At the end of the three-day period the shift bidding process will proceed to the next senior officer to schedule their nine-month consecutive shift assignment (April thru December). The officer in their current shift bidding time slot will have preference for their requested shift bid selection over any senior officer who failed to submit their request prior to that officer's shift bid submission during their scheduled three-day time block. A senior officer may select their shift bid at any point after their scheduled three-day block has passed, as long as it does not conflict with a previously submitted shift bid outlined above. Once the individual officers are set within their patrol teams, the process to fill the three-month consecutive shift assignments will be initiated. The shift bid schedule will be submitted to the Chief or their designee no later than August 31st.
- c. If a new shift is added to the schedule during the calendar year the following procedure will be followed to fill the vacancy:
 - i. The least senior officer will be assigned to fill the shift vacancy for the remainder of the calendar year.
- d. If a scheduled shift is vacated (example: the officer is injured, promoted, reassigned, or leaves the department) during the current calendar year the following procedure will be followed to fill the vacancy:
 - i. The officer working the 1300-0000 shift for the team with the vacancy will fill the vacancy, regardless of seniority. If a second vacancy occurs; the officer working the 1300-0000 shift on the opposite team will fill the vacancy. Any additional vacancies that occur after the 1300-0000 shift assignments have been vacated will be filled by any officer based on the needs of the department.

If the originally assigned officer can return to their assigned shift, the officer(s) filling the vacancy/vacancies will return to their original shift assignment in reverse order with the 1300-0000 shifts being re-assigned last.

- ii. At full staffing, the patrol teams will be unbalanced with the addition of a 1900-0600 shift being assigned to one team. When that shift is filled; the 1900-0600 shift will be vacated first, prior to the 1300-000 shift, to fill a patrol shift vacancy regardless of seniority. In the event of additional vacancies that may need to be filled simultaneously; the staffing of those patrol shifts will be in accordance with the procedure outlined in 2(D)(i).
- e. If an officer is reassigned to patrol during the current calendar year the following procedure will be followed to accommodate that officer as it relates to shift bidding by seniority:
 - i. The Leadership team, consisting of the Commander and Lieutenants will select the patrol team the officer will be assigned to.
 - ii. The reassigned officer will be assigned to the vacant shift(s) for the remainder of that current year regardless of seniority or time remaining in the current shift bid.
- f. If an officer is in the Field Training Officer program when the shift bid process is initiated, the officer in training is not eligible to bid for a patrol shift, regardless of their seniority. Upon successful completion of the FTO program, the officer will be assigned in accordance with the procedure outlined in 2(E). The officer will be eligible to bid for a patrol shift during the next shift bidding process.

3. Shift Bidding – Sergeants

- a. Shifts:
 - i. Day Shift Sergeant – 0500-1600 hours. This shift can be flexed two hours forward or backward based on the needs of the department for supervisory coverage.
 - ii. Night Shift Sergeant – 1800-0500 hours. This shift can be flexed two hours forward or backward based on the needs of the department for supervisory coverage.
 - iii. Flex Sergeant – 1600-0300 hours. This shift can be flexed to cover the Day or Night Sergeant shifts based on the needs of the department for supervisory coverage. Any change cannot be made without appropriate notice and an, at least, 8 hour break in service between the end of one assignment and beginning of the next.

- b. The seniority shift selection schedule will be circulated by the Lieutenant in charge of scheduling no later than July 1st of the preceding calendar year.

The following 4-month shift bidding selection will be made by seniority based on time of assignment as a Sergeant, not overall seniority.

- i. All three sergeants per team must bid one cycle of each Sergeant shift per calendar year. The order in which the schedule progresses does not matter. For example: three sergeants will bid by seniority for January-April, then May-August, the September-December. Bidding will start with senior sergeant for each segment of the yearly schedule.
 - ii. Each sergeant will have three consecutive calendar days to make their shift bid selection for the upcoming calendar year. During that time, each Sergeant will select their desired shift bid for the entire calendar year based on a 4/4/4month schedule. At the end of the three-day period, the shift bidding selection process will proceed to the next senior Sergeant who will schedule their 4/4/4 shift bid selection during their scheduled time block. They will have preference for their requested shift bid selection over any senior Sergeant who failed to submit their request prior to that Sergeant's shift bid submission during their scheduled three day time block. A senior Sergeant may select their shift bid at any point after their scheduled three day time block has passed as long as it does not conflict with a previously submitted shift bid outlined above. The shift bid schedule will be submitted to the Chief or their designee no later than July 31st of the preceding calendar year.
- c. Sergeants will be required to select their shift rotation for the entire upcoming calendar year no later than July 31st of the prior calendar year.
 - d. Sergeants overall assignment will be decided by the Chief or their designee, who will have the authority to select and assign Sergeants to any team based on staffing, with the final approval/modification to be approved by the Chief and/or designee(s).

e. If a scheduled shift is vacated (example: Sergeant is injured, promoted, reassigned, or leaves the department) during the calendar year the following procedure will be followed to fill the vacancy:

- i. The remaining Sergeant from the team with a vacancy will be assigned to the shift that the Leadership team deems most beneficial to the agency to ensure appropriate supervision, experience, and staffing is maintained. The open scheduled time block will be filled in accordance with department policy and in accordance with civil service requirements.
- ii. Once the scheduled shift bidding adjustments are filled; those schedule changes will be implemented following the teams scheduled days off.
- iii. Any sergeant absence caused due to leave usage that cannot be covered by the on-duty Patrol or Administrative Lieutenant, will be offered to the most senior sergeant off-duty, then follow seniority.

4. Modified Shifts

- a. All shifts are subject to modification upon mutual agreement of the Chief and the Tumwater Police Guild. Any officer or Sergeant who is assigned to a shift that is modified will remain on that shift until the next shift bidding cycle or previously scheduled shift rotation.

5. Requests for Reassignment

ARTICLE 18 - OFFICERS BILL OF RIGHTS

Section A. Purpose. The wide ranging powers and duties given to the Police Department and its officers involve them in all manner of contacts and relationships with the public. In order to resolve any complaints or disputes stemming from these contacts, the chief or their designee must conduct prompt, objective investigations. In an effort to ensure that these investigations are conducted in a manner conducive to good order and discipline, the following guidelines are promulgated:

1. At least forty-eight (48) hours prior to an interview, the officer shall be informed in writing of the nature of the investigation and whether he/she is a witness or a suspect before any questioning commences including the name, address and other information necessary to reasonably apprise him/her of the allegations of such complaint. All interviews shall be limited in scope to activities, circumstances, events, conduct or actions which pertain to the incident which is the subject of the investigation. Nothing in this section shall prohibit the Employer from questioning the employee about information which is developed during the course of the interview.

2. Interviews will be scheduled at a reasonable hour, preferably when the officer is on duty, unless the exigencies of the investigation dictate otherwise. When practicable, interviews will be conducted at the Tumwater Police Department. The employee under investigation must, at the time of an interview, be informed of the name of the officer in charge of the investigation and the name of the officer who will be conducting the interview.

3. Officers shall be afforded a reasonable opportunity and facilities to contact either: a) an attorney of his/her choosing and expense; and/or b) a representative of the Guild to be present during the interview, and to participate in the interview to the extent permitted by law.

4. The questioning shall not be overly long and the officer shall be entitled to such reasonable intermissions, as he/she shall request for personal necessities, meals, telephone calls and rest periods. The employee or City may request that an investigative interview be recorded. Upon request, the employee under an investigation shall be provided an exact copy of any written statement the employee has signed or, at the employee's expense, a verbatim transcript of the interview.

5. The officer shall not be subjected to any offensive language, nor shall he/she be threatened with dismissal, transfer or other disciplinary punishment as a guise to attempt to obtain his/her resignation nor shall he/she be intimidated in any other manner. No promises or rewards shall be made as an inducement to answer questions.

6. Officers involved in the use of force shall be allowed to consult with a Guild representative or attorney prior to being required to provide an oral or written statement regarding the use of force. In such cases no statement will be required during the forty-eight (48) hours following the incident. The Department may request public safety information consistent with the Public Safety Statement attached as Appendix A.

7. Section B. Brady. The parties recognize that instances of dishonesty may warrant discipline up to and including termination. They also recognize that the event of an officer being placed on a *Brady* list does not, in and of itself, constitute a basis for separation from employment.

Section C. Fitness for Duty. Examinations for medical or psychological fitness for duty shall be conducted in accordance with Department and City policy.

Section D. Security Camera. The security cameras utilized in and around the Tumwater Police Department are primarily for security for employees and City owned property and equipment. If an officer is in the Field Training Officer program when the primary vacation schedule process is initiated, the officer in training is not eligible to select a primary vacation, regardless of their seniority. Upon successful completion of the FTO program, the officer will be eligible to select their primary vacation for the following year based on availability.

4. Any regular employee who is in an annual leave status and becomes incapacitated through illness, accident or hospitalization shall have the right to revert to a sick leave status. In such case an employee shall furnish a statement from a duly licensed physician.
5. Patrol Sergeants and Lieutenants assigned to the same patrol team may not be on annual leave at the same time, unless authorized by the Chief or his designee.

ARTICLE 29 - TRAINING

Section A. Intent and Purpose. To improve the efficiency and professionalism of the officers, the Department will strive to provide professional training each year, subject to budget and manpower availability.

ARTICLE 30 - SAFETY

Section A. Equipment. To ensure the safety of all officers and to improve the effectiveness of the Department, the City will provide each officer with a bullet resistant vest as part of the officer's regular uniform. The City agrees to provide for any upkeep, maintenance, or reconditioning necessary as determined by the chief to keep the vest in safe condition.

ARTICLE 31 - SUBSTANCE ABUSE PREVENTION

Section A. Intent and Purpose. The City and the Guild acknowledge that substance abuse poses a serious threat to the health, safety and productivity of officers, other City employees and members of the public. For that reason, the Guild agrees that its members will be subject to the City's Substance Abuse policy as established in the City of Tumwater Personnel Policy and Procedures Manual with the following additions, modifications or clarifications:

1. It is understood that Guild officers will be requested and not required to sign a statement acknowledging receipt of a copy of the policy. Officers who choose not to sign will be subject to documentation from department management indicating that they received the copy but chose not to sign an acknowledgment of receipt.
2. Throughout the City's Substance Abuse Policy, the standard for supervisory action toward Guild members on matters of substance abuse shall be "probable cause". The basis for establishing probable cause for action shall be outlined in a written, standard operating procedure of the Tumwater Police Department to be adopted concurrently with this agreement.
3. For purposes of testing for the presence of substances, any positive result from a guild member's sample will be subject to confirmation by a GC-MS test.
4. The parties to this agreement recognize that maintaining a chain of custody for test samples is vital to fair treatment of the employee who has been tested. The parties acknowledge that the current chain of custody standards used by the testing service providers selected by the City and detailed during these negotiations are appropriate and sufficient. It is understood that a documented violation of the agreed upon standards for maintaining the chain of custody for test samples would nullify the sample and, if feasible, require retesting.
5. The parties further agree that the thresholds for reporting positive findings of commonly abused substances to the employer by the testing services provider shall be as follows:

SUBSTANCE	SCREENING THRESHOLD
Alcohol (Scr)	.03 G / DL
Cannabinoid (UR)	100 NG / ML
Amphetamines	1000 NG / ML
Barbiturates	300 NG / ML
Benzodiazepines	300 NG / ML
Cocaine (Metab)	300 NG / ML
Methadone	300 NG / ML
Methaqualone	300 NG / ML
Opiates	300 NG / ML
Phencyclidine	25 NG / ML
Propoxyphene	300 NG / ML

6. The parties agree that blood testing will be required of officers only for the purpose of determining or confirming whether alcohol is present within the system of the employee who is being tested.
7. If an employee has tested positive, the employer will provide a copy of the test results.
8. An employee being tested may request to have a sample collected by the City's designated test facility for testing by a laboratory of his/her choosing at the expense of the employee.
9. It is understood that the duty of a bargaining unit supervisor who suspects the impairment of another member of the bargaining unit will be limited to making the necessary observations and promptly notifying the police commander or chief, who will handle the report per the department's established procedure.
10. If an employee tests positive for substance abuse and is disciplined for violating the City's substance abuse policy for the first time, the discipline will be limited to a written warning on the condition that the employee must cooperate fully with any treatment program required by the City and agree to refrain from any future violations of the policy. If the employee has violated other department or City policies concurrently with the substance abuse policy, discipline up to and

including termination may be administered as appropriate under the City policy or Civil Service Rules.

Section B. Discipline Resulting from Substance Abuse. The parties agree that any discipline/discharge action taken under the City's substance abuse policy, shall be subject to the provisions of Article 9 of this agreement.
