

5901 & 5917 Black Lake-Belmore Road SW Ten Percent Annexation Petitions (TUM-25-0453 and TUM-25-0454)

General Government Committee, July 9, 2025

Intent

- Present the Ten Percent Annexation Petitions
- Explain the Sixty Percent Annexation Method Process
- Discuss Next Steps

Background

- The owner of two properties on Black Lake-Belmore Road SW in Tumwater's urban growth area is requesting to be annexed
- A ten percent annexation petition applications were filed with the City on April 25, 2025, and were deemed complete on April 29, 2025, after payment of application review fees
- Because the property owner owns all the property included in the annexation area, they filed annexation petitions representing both ten percent and sixty percent of the value of the property proposed for annexation

Background

- The property owner has indicated their willingness to assume their fair share of the City's indebtedness and are willing to accept the land use designation and zone district for their property
- Staff is unaware of any pending development applications for the property
- Staff inadvertently left the petitions for the second parcel out of the May 14, 2025, General Government Committee packet and June 3, 2025, City Council packet, so this item contains the complete application package for both parcels

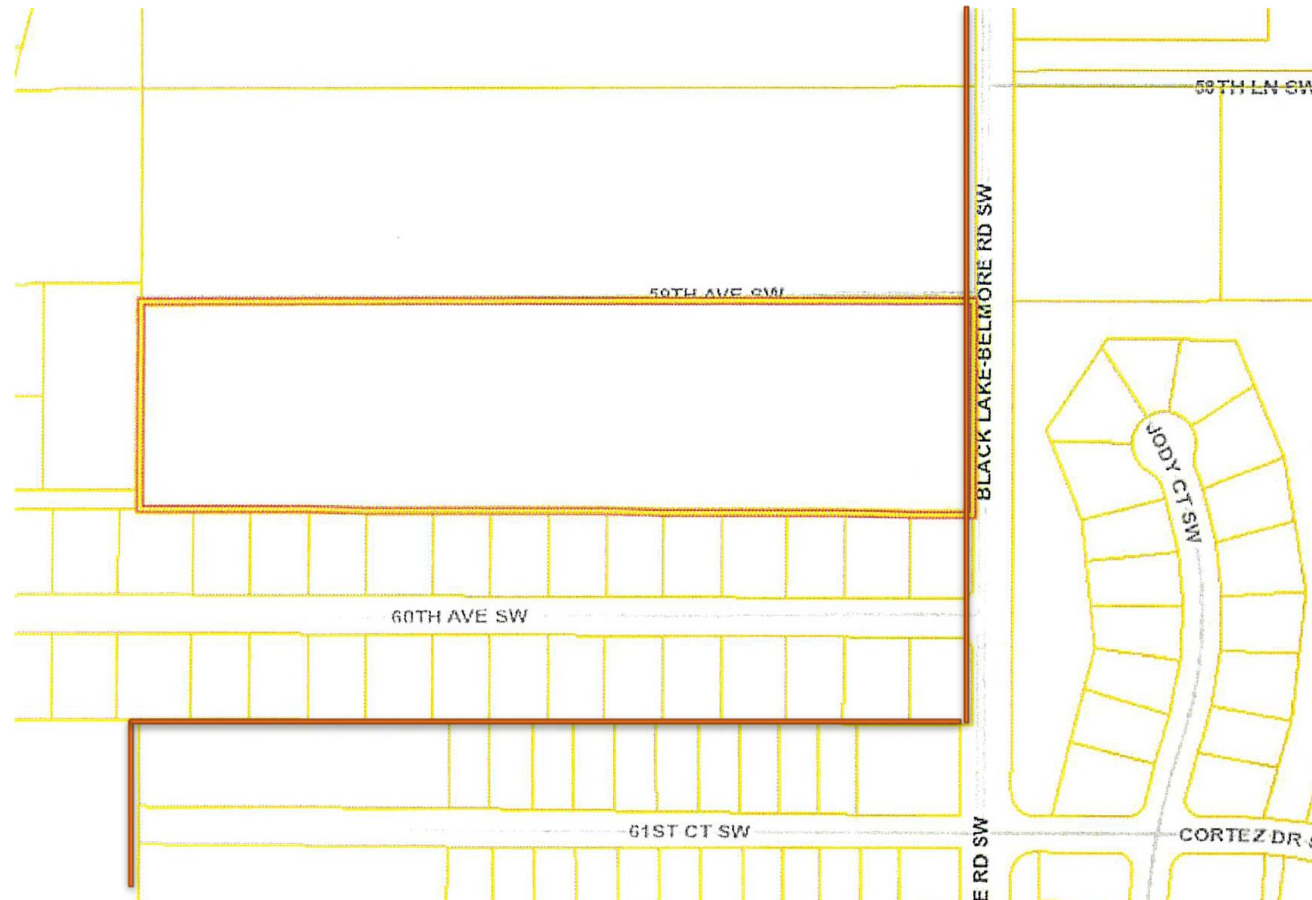

Proposed Annexation Area

- The two parcels in the proposed annexation area are located northwest of the intersection of Black Lake-Belmore Road SW and 60th Avenue SW and are 10.75 acres in size
- The proposed annexation area is west of the current city limit and has a Single Family Low Density Residential district designation

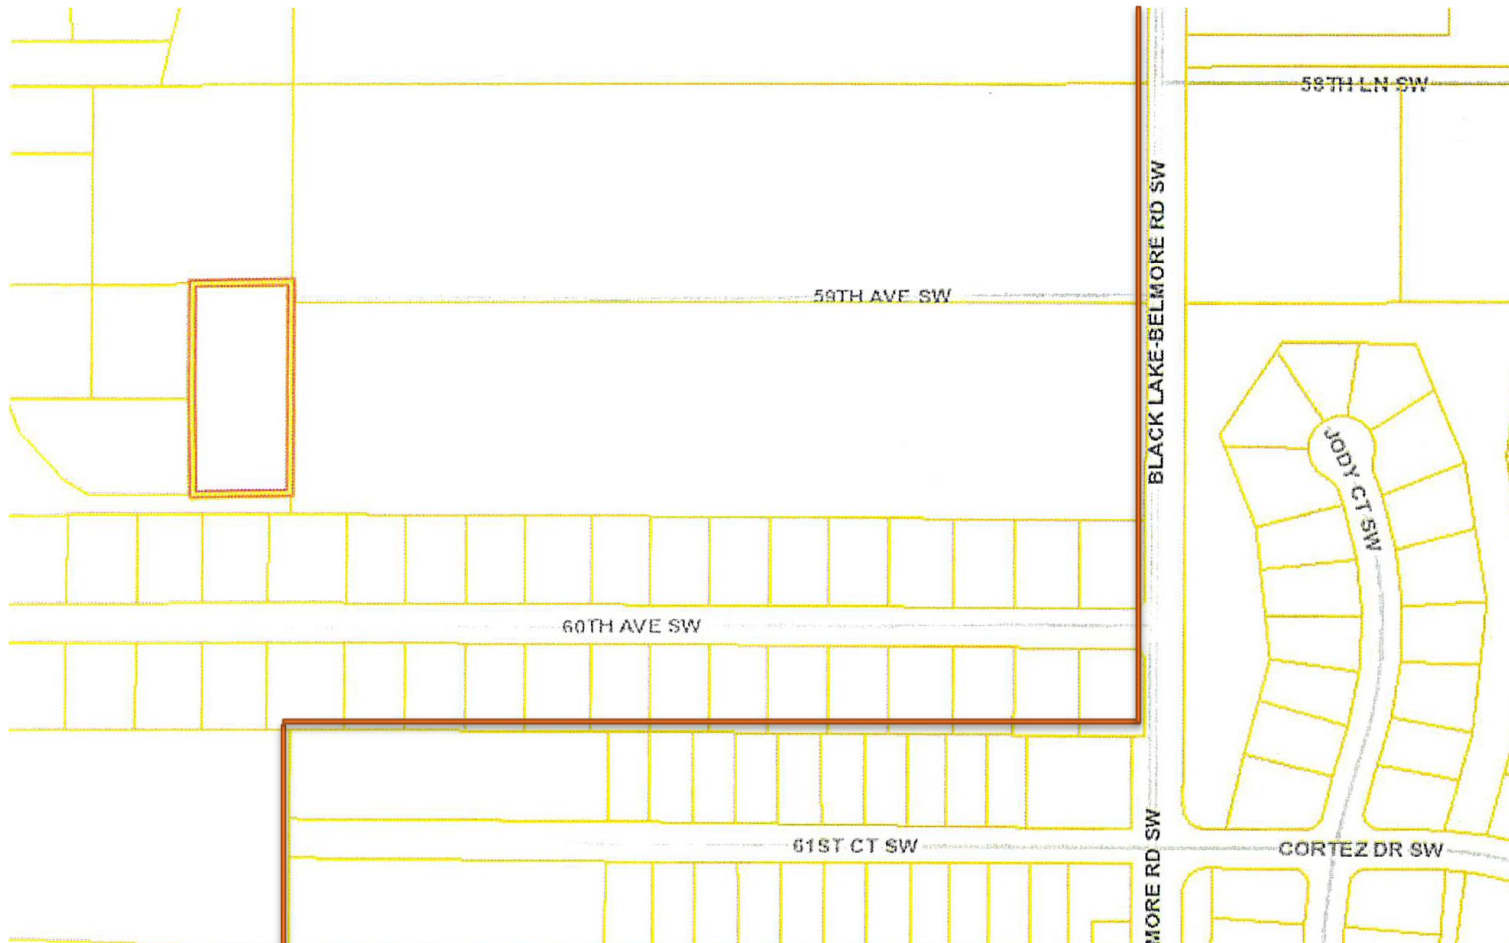

Proposed Annexation Area

- 5901 Black Lake-Belmore Road SW
- Owned by Terrence Hess
- Parcel #12705220200
- Approximately 9.72 acres

Proposed Annexation Area

- 5917 Black Lake-Belmore Road SW
- Owned by Terrence Hess
- Parcel #12706110201
- Approximately 1.03 acres

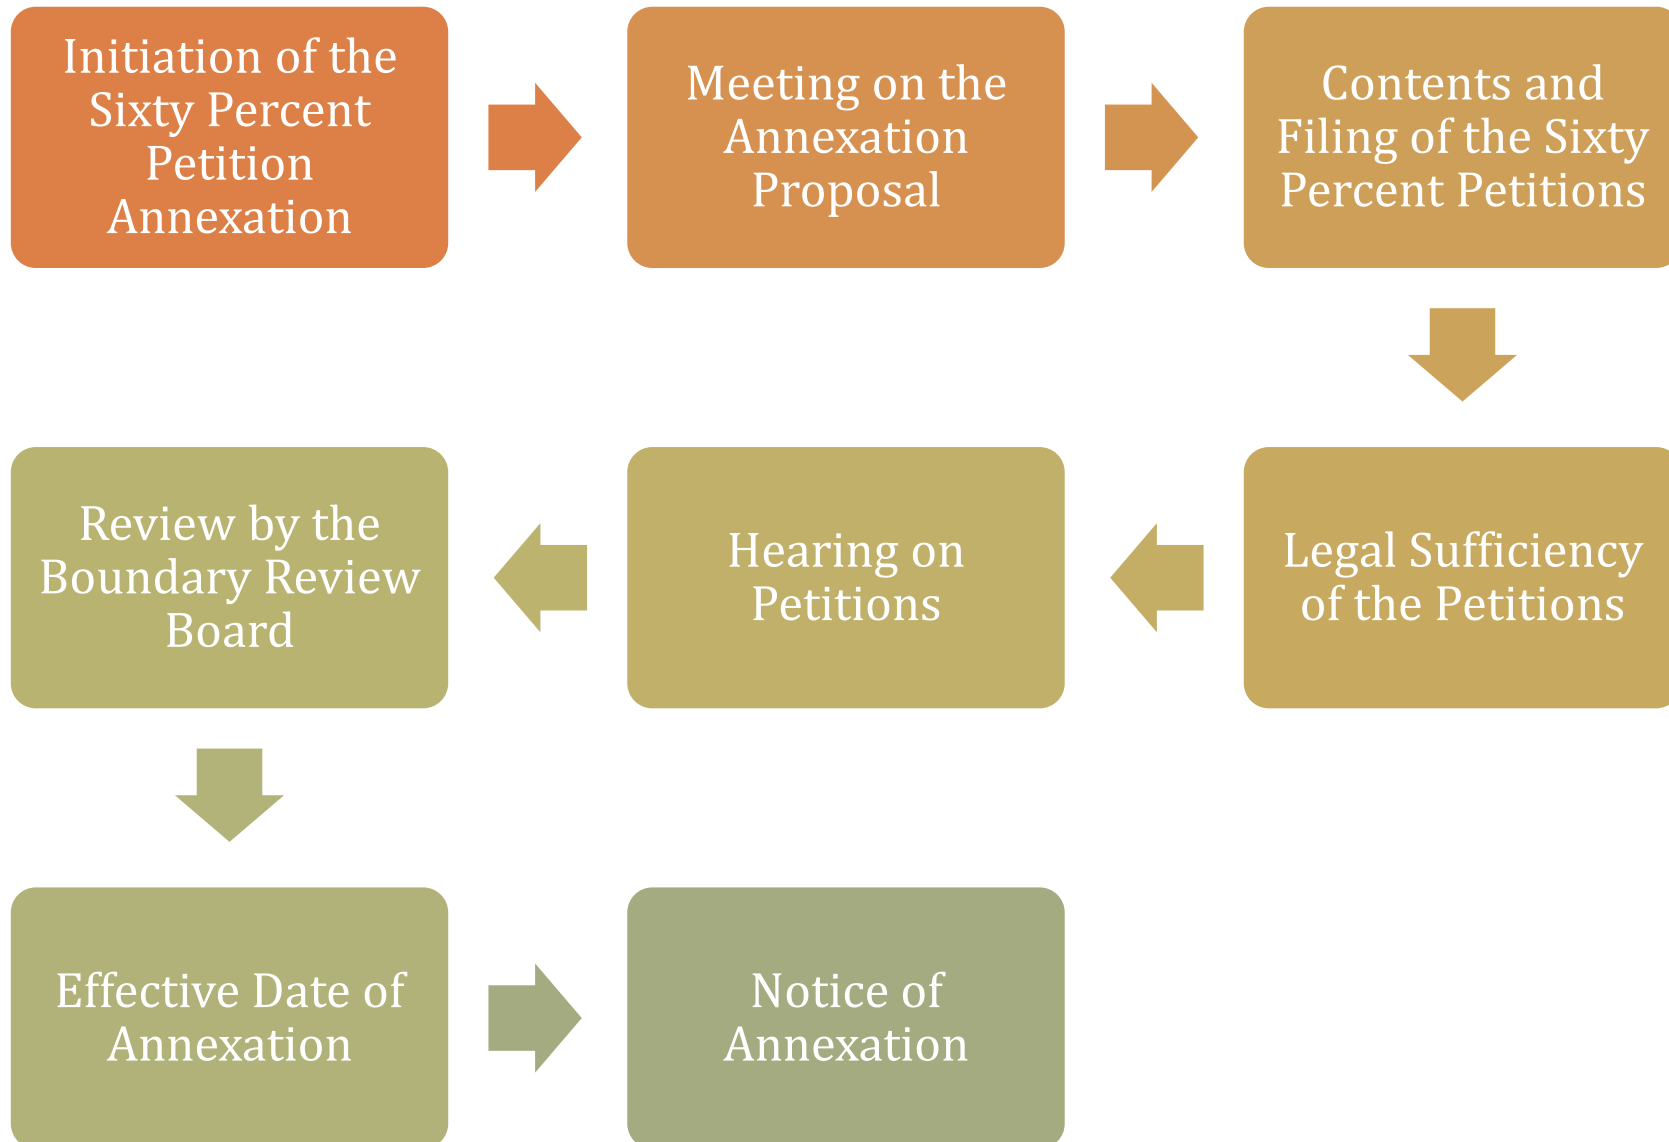

Initial Request of City Council

The ten percent annexation petitions request that the City Council set a date not later than 60 days after the filing of the ten percent petitions for a meeting with the property owner to determine:

1. Whether the City Council will accept, reject, or geographically modify the proposed annexation;
2. Whether the City Council will require adoption of a new land use designation for the area to be annexed; and
3. Whether the City Council will require the assumption of existing City indebtedness by the area to be annexed

Sixty Percent Annexation Method Process

Staff Recommendation

- Accept the proposal to annex, with no modifications
- Do not propose any amendments to the existing land use designations or zone districts
- Require the annexed area to assume City indebtedness

Initial Request of City Council

- The General Government Committee will be asked to place the ten percent annexation petitions on the July 15, 2025, City Council consideration calendar for the City Council to discuss with the applicants

Future Steps

- If the Council decides to accept the annexation proposal – either as proposed or modified – then a sixty percent petition will be drafted and circulated to the affected property owners
- Approval by property owners representing sixty percent of the assessed value of the annexation area is required
- Final approval would only occur after review and approval of the Boundary Review Board, followed by a public hearing and a vote of City Council
