SUBJECT: Preliminary Docket for 2022 Annual Housekeeping Amendments

1) Recommended Action:

Staff recommends the Planning Commission review and be prepared to discuss the preliminary docket for 2022 annual development code housekeeping amendments.

2) Background:

TMC 18.60.025(A) establishes a process by which the preliminary docket of annual development code housekeeping amendments undergoes an initial review by the Planning Commission for recommendation to the City Council. The City Council will make the final determination on which of the proposed amendments will be included in the final docket in June 2022.

Once the docket becomes final, staff will review and analyze the proposed amendments as part of our long range planning work program and come back to the Planning Commission and City Council for the final review and recommendation process in September 2022.

The staff report contains summaries of the fifteen proposed amendments.
