SUBJECT: Discussion – Heritage Tree Nomination at 420 D Street

1) Recommended Action:

Discussion item for Tree Board and then recommendation to City Council

2) Background:

After the City Council adopted the Urban Forestry Management Plan on March 2, 2021 by Ordinance No. 2020-004, the Tree Board began a discussion at their April 12, 2021 meeting of the actions that are the Tree Board's primary responsibility in implementing the Plan; among those actions are those that address heritage trees.

This nomination for a tree at 420 D Street was first brought to the Tree Board on August 8, 2022. The Tree Board requested this item return after having been evaluated by the City's Tree Professional to confirm species and age. The Tree Board shared a desire for all future Heritage Tree nominations to be vetted by the City's Tree Professional prior to being brought to a Tree Board meeting. This nominated tree at 420 D Street has now been assessed by the City's Tree Professional. This application is now submitted for consideration by the Tree Board and then a recommendation to the City Council for final action.
